A.F.A. & A.

This is an addition to our application OFR 10.145 relative to a chest containing silver ware found at the a.m. location. This silver ware is only a very small part of the property taken away from the castle of the Baroness de GARGAN, by the former Polizeimeister [illegible] whose actual residence could not be found out.
The recovery of the silver ware might at the time give the opportunity of tracing out other items claimed by subject application.

4 — I hereby certify that the items contained in this claim are urgently needed for the rehabilitation and reconstruction of France.
