SUB[illegible]: Restitution to Norway
Oil Painting by Peter Neefs: "Church Interior"

TO : Restitution Branch
MFA & A Section
APO 403 US Army

1. Reference is made to list submitted by this Mission in February 1947, covering missing Norwegian paintings. Further reference is made to undersigned's talks regarding above painting with Mr. Howard on October 15 th, 1948, and with Mr. Breitenbach of the MFA & A's Collecting Point, Munich, on September 9 th, 1948.

2. It has now been established that the measures of the missing painting are 58 x 57 cm - not as wrongly stated by our list of February 1947: 58 x 57 cm. See attached copy and translation of letter, dated October 5 th, 1948, from the Directorate of Enemy Property, Oslo. Unfortunately, a detailed description of the missing painting is not to hand. If, however, the above corrected measures correspond with the measures of the Peter Neefs "Church interior" in custody at your Collecting Point, Munich, that picture must assumably be identical with the missing one, and it is therefore requested hereby that the painting be at once released for shipment to Norway.

3. It is further requested that the circumstances under which subject painting came to German from Norway be investigated, and the German holder interrogated, as this may lead to restitution of more Norwegian items of art.

SUBJECT: Restitution of art.

We beg to refer to your telephone conversation with our chief of office, Mr. Gann, and to your letter of 10 September 194[illegible], regarding a painting by Peter Neefs, which possibly is identical with No. 525 in our list submitted in February 1947.

As we are no longer in possession of the above mentioned list, we contacted Mr. Knut Berg. It appears that the list was at the time set up by him on the basis of details received from the Clearing Office at Oslo. We have now checked up matter with the Clearing Office which in its records (index card boxes) actually has got registered a painting (Interior of a Church) by Peter Neefs, the size of which, however, being [illegible] x 37 cm. This painting was in the summer 1943 removed from a previously German occupied apartment in Nygdø Avenue 35. The Clearing Office, however, could neither name the owner of the painting, nor give any information as to its removal. It is assumed that the picture has been sent to German by an acquaintance of the previous German lodger.

We hope these details will constitute sufficient base for release of subject claim.

Note 2

REMOVAL OF OBJECTS: Dr RASTAD's Collection.

During the last months there has been intense work from the Norwegian side to recover art objects looted by the Germans. The Norwegian policy here is first to try themselves to find objects within the country, in which attempt they to a great extent have succeeded. Objects then still missing and which are feared to have been sent to GERMANY are thereupon reported to this Br. A typical case is that of Dr ARNOLD RASTAD. When he fled the country in 1940, the Germans confiscated his belongings. Of his great art collection most of the objects have been recovered. Following paintings are however, still missing and presumed sent to GERMANY: (Size given is without the frame)

NOR 2- 1. Gainsborough school. Portrait of a boy. On canvas, oval, diameter 36 x 32 cm.

2. Claude Vernet: Landscape with figures and ships. On wood, 32 x 45 cm.

3. Marseus van Schrieck. Butterfly, saurian and snake. On canvas, 60 x 50 cm.

4. Dutch, 17th cent. Seascape, ship in strong gale near fortified coast. On canvas, 65 x 50 cm.

5. Jodocus de Momper. Landscape. On canvas, 70 x 60 cm.

6. Adrian van Ostade: Interieur (a person looking through the window, on two other people). On wood, 36 x 28 cm.

7. Dutch, 17th Cent. painting. Landscape in blue colours with a ship on the beach. 40 x 30 cm.

8. Saftleven (?) Road with two pedestrians and a cross. On canvas, 45 x 35 cm.

9-10. Two paintings by Zucourelli: Decorative landscapes. On canvas, 120 x 76 cm.

REMOVAL OF OBJECTS: UNIVERSITETS ETNOGRAFISKE MUSEUM. NOR 3

On the 24th of January 1944 Regierungsbaurat LUTHER sent to address: LUTHER, COBURG, Callenbergerstrasse 2 Empf. Bahnhof, Coburg, two large cases from the "Universitetets etnografiske museum". These cases contained among various other art objects two valuable paintings, one from the Lofoten islands by NIKLAUS or RASMUSSEN, and a landscape by a French artist. 1-2
