1364 folders, approximately 79,408 pages

Summary

This collection consists of records concerning AmeriCorps and national service. This collection contains records from the White House Office of Records Management (WHORM) Subject Files containing memos from Eli Segal on the establishment and management of AmeriCorps, national service speeches by President Clinton, invitations for AmeriCorps events, and various correspondence and memoranda between the White House and CNS staff.

Scope and Content Note

The materials in 2013-0661-F (segment 3) are a selective body of documents responsive to the topic of the FOIA. Researchers should consult 2013-0661-F (segments 1 & 2) and 2013-0124-S, Shirley Sagawa, for related materials. FOIA 2013-0661-F is the 3rd segment of files regarding AmeriCorps and national service. AmeriCorps is a federal program that focuses on community service and volunteerism. The National and Community Service Trust Act was signed into law by President Bill Clinton in September 1993. This Act created the Corporation for National and Community Service, which oversees AmeriCorps and other national service programs. The program's creation was aimed at addressing various social needs within communities across the country, while also providing opportunities for individuals to engage in meaningful service work. AmeriCorps members, often referred to as "corps members," commit to serving in a variety of roles, such as education, disaster relief, environmental stewardship, and more. They receive a modest stipend and, upon completing their service, are eligible to receive an education award that can be used for higher education expenses or to pay off student loans. Eli Segal played a pivotal role in the development of AmeriCorps. He was a close advisor to President Clinton and was instrumental in the program's

conception and implementation. Segal was passionate about public service and saw AmeriCorps as a way to foster a sense of civic duty and community engagement among Americans. He served as the first CEO of the Corporation for National and Community Service (CNS). Since the first class of members in 1994, nearly 100,000 young men and women have worked in thousands of communities, performing a variety of public services. The records responsive to this FOIA consist of the third segment of records regarding AmeriCorps and national service. Specifically, these files comprise of White House Office of Records Management (WHORM) Subject Files containing memos from Eli Segal on the establishment and management of AmeriCorps, national service speeches by President Clinton, invitations for AmeriCorps events, and various correspondence and memoranda between the White House and CNS staff. Most of the staff office records are from Joel Berg, Director of National Service for the United States Department of Agriculture. They portray the history of the USDA's AmeriCorps program between the years 1993- 1997, specifically the major projects that staff working for the USDA AmeriCorps program completed. Projects included the Summer of Gleaning, dry fire hydrant installation, wildfire, flood, and disaster assistance, water and gas wells community mapping, assistance in applying for social services to community members, and assistance in applying for jobs, loans, and housing. The files contain correspondence, internal memoranda between Joel Berg and USDA sub-agencies and/or CNS contacts, briefing materials, press materials, drafts of legislation, maps, emails, photographs, list of AmeriCorps members, applications, forms, quarterly USDA AmeriCorps reports, and publications.

Record Type

Textual

System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas—Clinton Presidential Records: WHORM Alpha Files, Clinton Presidential Records: WHORM Subject Files, and Clinton Presidential Records: White House Staff and Office Files. WHORM contains a variety of series created to organize and track documents and correspondence. The WHORM Alpha file was compiled by the White

House Office of Records Management from 1993 – 1996 and is a series of documents arranged by name of persons, organizations, or events. The WHORM Subject file was compiled by the White House Office of Records Management and is a series of categories designated by a letter/number combination. In addition, there are WHORM, WHORM Counsel, WHORM (CL), WHORM (OP), WHORM (Too Late); WHORM (Various Offices); and WHORM (Alpha Project) series. Staff and Office files were maintained at the folder level by staff members within their individual offices and document all levels of administration activity. Staff and Office files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. FOIA 2013-0661-F (Seg. 3) includes WHORM records from these subject codes: ED Education FG-001 President of the United States FG001-06 Appointments – Interviews, Meetings with, Presidential FG001-07 Appointments Granted, Presidential FG001-08 Presidential Telephone Calls FG006-01 White House Office FG010-01 Cabinet Meetings FG013 Department of Defense FG026 Department of Education FG033-07 Education and Labor FG148 Franklin Delano Roosevelt Memorial Commission FG507 Corporation for National and Community Service FG508 National Science and Technology Council, 11/23/93 (NSTC) FI002 Banks – Banking FI004 Budget – Appropriations FI010 Taxation GI001 Gifts from the President GI002 Gifts to the President HO050 Volunteer Related, General HS Housing IV094 Invitations, 1994 IV095 Invitations, 1995 IV096 Invitations, 1996 IV098 Invitations, 1998 IV099 Invitations, 1999 MA061 Volunteer Awards (All) MC Meetings – Conferences ME Messages ME001 Messages (Sent to Individuals) (Includes Birth Date Baby) ME002 Messages (Sent to Groups/Organizations) PE002 Employment – Appointments PL002 Fundraising – Expenditures PP Presidential Personal PR010 Motion Pictures – Film Strips – Recordings PR013-12 Sponsorship, Request for Presidential PR015 Publicity PU Publications PU001-07 Clippings to the President SP Speeches SP400 Radio Addresses SP515 Rutgers University, New Brunswick, N.J., 3/01/93 SP834 AmeriCorps Volunteers, Dallas, TX, 4/7/95 SP1111 AmeriCorps Assembly, Philadelphia, PA, 4/28/97 SP1239 City Year Convention, Cleveland, OH, 6/3/98 SP1316 Martin Luther King Day, Regency House, D.C., 1/18/99 SP1329 American Embassy Event, Amman, Jordan, 2/8/99 SP1596 Speeches TR001 District of Columbia Metropolitan Area TR237 Philadelphia, PA, 4/27-28/97 TR348 Atlanta, GA, 5/11/99 WE Welfare WE001 Children (Welfare Services – Adoption – Abuse) WE009

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA)

Processed by

Staff Archivist, 2023. Previously restricted materials are added as they are released
