Extent

43 folders, approximately 1,553 pages

Summary

This series contains records including memoranda, articles, outlines, publications, speeches, and handwritten notes relating to background research and drafts for the White House History Project, which was later named the Clinton Administration History Project.

Scope and Content Note

Within the Domestic Policy Council, David Sewell was Associate Director for Domestic Policy working exclusively with the White House History Project in 2000. David Sewell’s records include memoranda, articles, outlines, publications, speeches, and handwritten notes relating to background research and drafts for the White House History Project, which was later named the Clinton Administration History Project.

Record Type

Textual

System of Arrangement

Records of this systematically processed series, David Sewell, were found in Clinton Presidential Records: White House Staff and Office Files, Domestic Policy Council.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 USC, 101) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton's presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2010. Previously restricted materials are added as they are released
