The Address to the Michigan Legislature in East Lansing is 11-12pm on Thursday. The Speaker of the House will introduce the Governor who will then introduce the President. I went to the trip meeting on East Lansing, and here is what I think our assignments are:

1. Come up with the list of Education Community VIPs that should be invited and get a handshake/photo with the President. Approximately 15 people. They did not schedule a private clutch like in Maryland, but I asked if we could do these photos with the 20 or so VIPs from the legislature and they agreed. If you think we need more time or something separate let me know. Also, we should do the inviting and get the DOB's and SSC. I can do this on Monday if you would like. We should run the list by Doris Matsui first to let her know what's going on. Also, Michigan contacts want to make sure the NEA is on our list.

2. Paper (Just like Maryland)

- 1 pager on Michigan's Education Record (Marcia Hale's office mentioned that Dems in Michigan don't want the President to support Engler's Charter Schools Proposal, so we need to include background on that.)

~~doing~~ - Email to Cecily Williams in Marcia Hale's office <sup>w/</sup> a couple paragraphs on the background of the event. (She is doing the briefing memo.)

- 1 page on Education Accomplishments or just the aspect being highlighted at the event (I'm sorry I don't know what the message is.)

- The list of Education Community VIPS (just names and titles)
