with HHS.

I will resend to you the list of potential regs that HHS supplied a few weeks ago. It would be helpful if people could look at it in advance.

OIRA staff is welcome.

We are checking as to whether someone higher level than Maddy

Mocko should come from ACF.

I invited Bruce. He may actually come. DKC: Elena, Emily and Ken are coming, right?

I think staff should be welcome. That's my general principle.

On the agenda: we need to start the meeting by having HHS walk through (1) the list of areas they propose regulating in and (2) the timetable and process they propose. We need to then provide initial feedback from all of us - and based on how the proposals are received agree on next steps. Next steps have to include what to present to the intergov'l groups at Carol's meeting as a proposed process - and what the process with labor and the nonprofit community will be as well.

Sound good? If you agree, should we actually do an agenda?

TEXT:

Katie has asked that you look into a legal issue in the context of Charles Hurwitz's Headwaters takings lawsuit. A couple weeks ago DOJ prepared a litigation risk analysis (which is currently stayed while we proceed with negotiations--last Friday Pacific Lumber agreed not to salvage log for 2 weeks during the negotiations). Dawn has a copy.

The analysis points out that the success or failure of such a lawsuit depends on what acreage area of Headwaters that a court uses as its basis for determining the issue--is the total area the 195,000 acres owned by Pacific Lumber, or is it the 3,000 acre Headwaters grove? If it's the latter, of course, then we stand a huge chance of losing the case. However, on or about this past January, Hurwitz incorporated the 3,000 acre Headwaters grove--which, as I am told, should effectively undermine his case. DOJ did not analyze this issue, and it's obviously a critical piece. Hence, could you do a legal scrub on this particular issue? Please let me know if you need another copy of the risk analysis, or if you need additional information. Thanks so much.

At yesterday's Counsel's meeting (yes, I was there), Kathy Wallman mentioned that the reinvention work that will be going on at PTO will be used as a model in other performance-based agencies & that we should be careful about the appointment language for those agencies. The letter is regarding the U.S. Marshals Service preventing security officers from organizing. I have re-faxed you the incoming. Is this something that would be better handled be the Department of Justice? This incoming is dated 7/16/96, and if I am to do a POTUS response, I need to get a draft asap. Thanks for your help with this.

SSA feels that we have been a bit slow in giving them comments on their public documents related to welfare reform. This is partly my fault since I have sent stuff around without a clear deadline. Since SSA is being pretty cooperative on this stuff, I don't want to treat them unfairly. So for future items, I will write on the document a deadline of a day or two, fax it to you, and then assume if I haven't heard from you that it's OK. Let me know if you have any thoughts. On the plus side, we have made what I think are helpful comments on some or all of what we have gotten from them.

TEXT:

I just wanted to be sure we were fully coordinated on how best to move forward on immigration/welfare issues. As far as I can tell, this is by far the most complex area we are dealing in our implementation effort.

Immediate meetings/issues:

There is a meeting called by you Ken tomorrow at 3:00 to discuss the "means tested program" definition.

On Thursday at 5:00, Seth Waxman is coming over to go over the entire range of these issues and to review the process DOJ and INS are putting into place.

We have yet to fully resolve the California food stamp question. We have the outstanding issue of what exactly the notices to SSI recipients should be and when they should go out.

For Thursday 5:00:

I have asked Steve Warnath to put together his best take of a laundry list of ALL the issues in this sphere that we need to deal with. I think we should go through that list and ensure that DPC, OMB, Counsel's Office, DOJ and INS are in agreement that that is the right list and what the processes are to address those issues. I would like to empower Steve at that meeting to serve on all of our behalfs as an oversight person to ensure these pieces keep moving and to serve as a central information depot.

Let's talk in advance of the Thursday 5:00 if any of you have a problem with that.

Steve and Diana will both be at the 3:00 tomorrow, Ken, although Diana may be a little late.

MEMORANDUM TO DISTRIBUTION LIST

FROM: Jeremy Ben-Ami
Diana Fortuna
Domestic Policy Council

SUBJECT: CANCELED: WELFARE IMPLEMENTATION SUBGROUP MEETING

The meeting of the welfare implementation subgroup scheduled for today (Wednesday, Sept. 18) at 4:00 p.m. is being postponed until next week. The next meeting will be held on Tuesday, September 24 at 3:00 p.m. in room 211 of the Old Executive Office Building. There is a great deal of activity going on on many of the issues on our agenda, and we feel it would be better to regroup once further progress has been made by early next week. We also apologize for the late notice.

The meeting of the FULL Interagency Group chaired by Carol Rasco and Bruce Reed is still scheduled for tomorrow (Thursday, Sept. 19) at 11:00 p.m. in OEOB 476.

There are additional meetings of the National Economic Council on welfare-to-work, of the intergovernmental group, and around particular issues. There is understandably some confusion about all the meetings. Please call Dorothy Craft (456-5571) with questions and we will try to clarify.

Thank you for your patience and cooperation.

I'd like to suggest an arrangement among our four offices regarding meetings on welfare implementation issues. There is almost no issue that any of us is going to hold a meeting on or deal with that won't involve each of our offices - DPC, OMB, General Counsel and Intergovernmental.

Can we agree to invite all four offices to any meetings we hold to resolve implementation issues. We may decide we don't need to attend some of them, but then there won't be any question that we at least know about them.

Meetings I know of this week:

- Ken's means-tested benefit meeting -- 3:00 today
 - Elena food stamp meeting - 5:00 today
 - Carol/Bruce interagency meeting - 11:00 tomorrow
 - Immigration/legal issues meeting - 5:00 tomorrow
 - NEC is having a meeting on the jobs stuff at 5:00 today as well
- Bruce/Carol: we'll let you know about meetings, but assume you won't want to attend most unless you tell us otherwise.

TEXT:

Steve Warnath and I are concerned that SSA is not on the same wave length as USDA or HHS in terms of implementing the legal immigrant provisions. Since their actual cutoffs don't begin to happen until next year, we haven't focused on them. But they keep sending me stuff for clearance that could foreclose some of the kinds of options USDA is looking at. For some reason, they are very hot to trot on getting paper out to the world.

For example, they are already pushing to put in flyers exactly what documentation people may have to bring to prove citizenship, even as USDA is saying that it will probably allow recipients to sign something attesting they are eligible.

I have talked to Brian Coyne about this, but I am not sure that succeeded. I hate to say we need another meeting. Perhaps we can meet with them right after (or before) our next subgroup meeting on Tuesday at 3. We don't necessarily need our whole gang, but Elena and Steve would be most helpful here.

I would propose this -- unless people think that we need a meeting focused on the whole subject of interim verification with INS, SSA, USDA, maybe HHS.

FYI

From Carrie:

Wellstone's meeting today with HHS, DOJ, advocates and us went well today.

Everyone urged a Presidential directive/exec. order to urge states to exempt battered women from time limits and work requirements -- using their option under the welfare bill (Wellstone-Murray Family Violence Amendment).

Sen. Wellstone called for the groups to pull together and expressed his hope that the President would issue an exec. order/directive.

HHS indicated Shalala's support for urging states to implement their option to exempt battered women, and Edelman said the Secretary supported the idea of reg's to make sure that states are not penalized for low participation rates because of battered women exemptions.

The groups announced that: (1) They support an exec. order/directive;

(2) They want HHS to put out educational material to the states on the following

(and HHS agreed):

- screening for battered women needs to be sensitive - caseworkers need training on how to help women find safety, etc.
- criteria for battered women to get a waiver needs to be carefully thought out (how "battered" do women have to be?)
- women should not be penalized for disclosing the fact they are battered - e.g., they should not then face loss of custody of children, and they should not be excluded from any welfare-to-work job training available)

They also raised:

- HHS should form an advisory committee on welfare & Domestic Violence
- Groups want more research and evaluation (Panetta in their June welfare meeting with him supported the idea of a study on battered women and poverty)
- Groups want more technical assistance funding (HHS said this is limited).
- (something about battered women being included in the denominator count (they didn't specify what they want).

Please let me know as soon as possible if you feel the following accurately summarizes our positions on the first four issues.

On Wisconsin, should I just say our proposal is to issue the waiver asap?

It looks dicey for a meeting this afternoon. Carol cannot do it, and it may be impossible for Emily and for Ken.

I am out on Monday, as I assume is Kevin and Elena. One possibility is for Bruce, Diana, Elena and I to go over this on the phone with John and company and see where we are.

We will be briefing John Angell on this as well this afternoon. He will keep Leon apprised and is satisfied that as long as our group of WH folks are united, Leon will be where we are.

Please advise.

PRINTER FONT 14_POINT_ROMAN
ISSUES

PRINTER FONT 12_POINT_ROMAN

1. Waivers

Guidance to states would require that states identify in their plans specific provisions of their demonstration that they believe are inconsistent with PRWORA. States would be told that they would not be allowed to operate programs that did not comply with the lifetime time limit or from the work participation rates. States would be alerted that subsequent legislative or regulatory action regarding TANF penalties might limit their

flexibility in the future, but such action would be effective only prospectively.

Note: This would allow states to continue experiments with definitions of work that vary from Section 407(d) provided those differences are flagged in the plan. While this approach does not rule out subsequently determining that the demonstration is out of compliance with the spirit of the new law, it does mean that there would be no retrospective financial penalty.

2. 45 day Notice

States would be required to provide the 45 day comment period required by the PRWORA following enactment of the new statute.

If permissible, funding should flow on a finding that the plan is otherwise complete. At a minimum, funding would be retroactive once the comment period is complete.

3. Guidance

Guidance to states would include a one page, ten item list of questions that must be answered for the plan to be complete. There would be no lengthy mandatory checklist, but the guidance could indicate that an optional checklist is available on request by a state to help in the preparation of the state plan.

4. Domestic Violence

The President would issue a memorandum to the Secretary of HHS and the Attorney General that would direct them to (1) work with states to inform them of the options available to them in the treatment of battered women and to encourage states to take advantage of those options; (2) provide technical assistance to states in designing their programs and services for this population; and (3) provide funding for research into the linkage between domestic violence and welfare dependence.

Note: This would not provide a waiver of the 20 percent exemption.
