Fact Sheet on the Budget Agreement
May 2, 1997

Budget balances by 2002 -- for the first time since 1969

New Initiatives

Agreement provides \$34 billion over 5 years for new initiatives, including:

- \$14 billion for restoring medical and disability benefits to legal immigrants and other improvements to the welfare bill, including funding for communities to help welfare recipients move to work
- Provides \$16 to \$17 billion to provide health coverage for up to 5 million children by 2002

Discretionary Spending

Non-defense discretionary outlays are within 1 percent of the President's FY 1998 Budget request over 5 years -- protecting education, the environment, international and other priorities

Defense spending meets President's FY 1998 Budget request (on budget authority)

Medicare & Medicaid

Medicare savings of \$115 billion over 5 years, extending the life of the Trust Fund until at least 2007

- Modernizes Medicare by providing new health plan choices such as PPOs and PSOs and new preventive care benefits, including annual mammograms without co-payments, diabetes self-management, and colorectal screenings
- Reforms outdated payment methodology for home health, skilled nursing facilities, outpatient departments, and HMOs
- Phases in, over time, cost of home health care into Part B premium with expanded low income protections

Medicaid: Imposes new cost constraints (e.g., on disproportionate share hospital payments), while maintaining the Federal guarantee. The agreement responds to States' concerns by dropping the per capita cap proposal, and allowing States more flexibility to manage their Medicaid programs.

Education

- Largest increase in education spending in 30 years
- \$35 billion for education tax cuts, including the Hope Scholarship and the \$10,000 tax deduction
- Increases maximum Pell grant award to \$3,000
- Fully funds the President's America Reads initiative

Environment

- Full funding for the President's priority areas, including Superfund and brownfields
- Full funding for national parks and Federal land management

Tax Cuts

- \$85 billion in net tax cuts, including \$135 billion in gross tax cuts and \$50 billion of revenue raisers and extenders (\$30 billion of which is the extension of the airline ticket tax)
- A majority of the \$135 billion in tax cuts are dedicated to the President's priorities for middle-income tax relief, including education tax cuts and the \$500 per child tax credit

COLAs

- No legislated change in COLAs. Congress will incorporate into its economic assumptions the expected effect of ongoing improvements at the Bureau of Labor Statistics.

Welfare Reform

- A welfare-to-work tax credit to help long-term welfare recipients get jobs
- New flexibility for states and localities to provide benefits for poor families

President Clinton Delivers the First Balanced Budget in A Generation Historic Agreement Promotes the Country's Priorities

President Clinton has achieved a balanced budget agreement that includes critical investments in education, health care, and the environment while strengthening and modernizing Medicare and Medicaid – just as he promised last year. We have cut the deficit 63% – from \$290 billion in 1992 to \$107 billion last year. This historic achievement will finish the job, giving the American people the first balanced budget in a generation, while meeting the President's goals.

GOAL: To ensure that every 8 year-old can read, every 12 year-old can log on to the Internet, and every 18 year-old can go to college.

- Largest Pell Grant increase in two decades -- 4 million students will receive a grant of up to \$3,000, an increase of \$300 in the maximum grant.
- \$35 billion of tax cuts targeted to higher education to make college more affordable for America's families.
- An America Reads initiative to mobilize a million tutors to help three million children learn to read by the end of the third grade.
- Expansion of Head Start -- to achieve goal of one million kids in 2002.
- Doubles funding to help schools integrate innovative technology into the curriculum.

GOAL: Expand health coverage for as many as 5 million uncovered children.

- Medicaid improvements and added Medicaid investments.
- A new capped mandatory grant program that provides additional dollars to supplement states efforts to cover uninsured children in working families.

GOAL: Secure and strengthen Medicare and Medicaid

- Extends the solvency of Medicare Trust Fund to at least 2007 through long overdue structural reforms.
- Expands coverage of critical preventive treatments of diseases such as diabetes and breast cancer.
- Preserves the federal Medicaid guarantee of coverage to our nation's most vulnerable people.

GOAL: Strengthen environmental protection and enforcement

- Accelerates Superfund cleanups by almost 500 sites by the year 2000.
- Expands the Brownfield Redevelopment Initiative to help communities cleanup and redevelop contaminated areas.
- Boosts environmental enforcement to protect public health from environmental threats.

GOAL: Move people from welfare to work and treat legal immigrants fairly

- A Welfare-to-Work tax credit to help long-term welfare recipients to get jobs.
- Restores disability and health benefits for legal immigrants.
- Restores Medicaid coverage for poor legal immigrant children.
- Preserves food stamp benefits for people willing to work.
- Provides States and cities with additional resources to move disadvantaged recipients into jobs.

GOAL: Cut taxes for America's hard working families

- A Child Tax Credit to make it easier for families to raise their kids.
- \$35 billion of tax cuts targeted to higher education to make college more affordable
- A Welfare-to-Work tax credit to help long-term welfare recipients get jobs.
- Establishes additional Empowerment Zones and Enterprise Communities.

Legal Immigrants and the New Budget Agreement
5/5/97

Question: Why doesn't this agreement reinstate benefits to all elderly non-citizens?

Answer: In the context of a balanced budget, we targeted assistance to the most vulnerable legal immigrants -- children, the disabled, refugees, and asylees. Since most of the elderly on SSI *are* disabled, most elderly non-citizens will be helped by this agreement.

Question: Will future immigrants be treated differently from those already in the U.S.?

Answer: There are still some issues being resolved in the negotiations, and this is one of them. The Administration strongly supports providing assistance to future immigrants. We believe, however, that sponsors of future immigrants should be held financially accountable; thus, we propose that future immigrants whose sponsors have signed legally enforceable affidavits of support should have their sponsor's income "deemed" or counted during eligibility determination. The Republican leadership proposes to provide no benefits to any future immigrants.

Question: Why did you agree last year to eliminate benefits for legal immigrants?

Answer: These unfair cuts to legal immigrants were part of a much larger welfare reform package which restored America's basic bargain of providing opportunity and demanding in return responsibility. We expected to be able to restore benefits to legal immigrants this year, and I am glad we have succeeded in assisting the most vulnerable -- children, the disabled, refugees, and asylees.

THE WHITE HOUSE AT WORK

Monday, May 5, 1997

A BALANCED BUDGET THAT INVESTS IN AMERICA'S FUTURE

President Clinton and Congressional leaders have reached a bipartisan agreement that will balance the budget for the first time since 1969 to keep the economy growing, while also protecting and advancing America's values:

- **It protects Medicare and Social Security** -- extending the life of the Medicare trust fund, until, at least, 2008, and extending new benefits to our parents (including preventive benefits such as annual mammograms for women over forty, a diabetes self-management benefit, colorectal screening, and preventive injections). **It protects and extends the life of Social Security as well.**
- **It opens the doors to education wider than ever** with the largest increase in education funding in 30 years: increasing Pell Grants by the largest amount in three decades, funding America Reads, and cutting taxes to help pay for college.
- **It extends health insurance to up to 5 million uninsured children, and helps move people from welfare to work** -- giving businesses incentives to hire people off welfare, and restoring benefits to legal immigrants and excessive cuts in food stamps.
- **It protects our environment** -- cleaning up 500 of the most dangerous toxic waste dumps and boosting enforcement -- and **includes modest tax relief** to spur business investment, to help families raise children, and to help pay for college.

This new balanced budget agreement builds on President Clinton's success in cutting the deficit by nearly two-thirds over the past four years, to revitalize the economy:

- When President Clinton took office, the economy was stagnating, job growth was sluggish, the budget deficit threatened to drown our economy.
- President Clinton changed America's course with a new economic strategy: invest and grow, cut the deficit, sell more products overseas through tough trade agreements, and invest in the skills of our people.
- Now, the deficit has been cut for four years in a row. Unemployment is at its lowest in 24 years, economic growth is at its highest in a decade, we've seen the largest decline in income inequality since the 60's, and 12 million jobs have been created. This balanced budget agreement will help keep the economy growing, steady and strong.

TODAY: PRESIDENT CLINTON TRAVELS TO LATIN AMERICA TO BRING HEMISPHERE CLOSER TOGETHER

- The President leaves today for a week-long trip to Mexico, Costa Rica and Barbados, to strengthen an emerging alliance based on democratic government, open markets to promote growth and create jobs, and cooperation to resolve common problems such as

drugs, crime and corruption, and migration.

**Clinton Administration: Protecting Children from Sex Offenders
Registration of Federal and Military Sex Offenders Initiative
May 5, 1997**

Announcement

- Today, President Clinton directed the Attorney General, the Secretary of Defense, and all federal law enforcement agencies to ensure that federal and military sex offenders are registered, both in the state in which they live and in the national sex offender registry. Today's directive is an important step that builds upon the Clinton Administration's record of protecting our children from sex offenders.

Background

A recent Justice Department report found that on any given day, about 60% of the 234,000 convicted sex offenders under the care of corrections officials are living in the community, either on probation or parole. Over the last few years, the Clinton Administration has made protecting our children from sex offenders a national priority.

- The 1994 Clinton Crime Act required sex offenders to register in the state in which they live; increased penalties for sexual abuse offenses and certain offenses against youthful victims; and broadened pretrial detention for serious sex offenses cases.
- In May 1996, President Clinton signed Megan's Law to ensure that communities are notified when sex offenders are in their midst. In June 1996, President Clinton directed the Attorney General to establish a national sexual predator and child molester registration system. This computerized system will help link together the sex offender and notifications systems being developed in all 50 states.
- The national sex offender registry became operational in February-- allowing law enforcement agencies to search the FBI's criminal history record database to determine whether an individual is a registered sex offender, and if so, where he or she is registered. Close partnerships must be formed between the FBI and other law enforcement agencies to ensure that accurate and up-to-date information on the whereabouts of sex offenders is loaded into the system and available to those who need it.

Today's Measure

- President Clinton's directive will ensure that federal and military sex offenders will be included in the national sex offender registry as soon as possible. The directive instructs the Attorney General and Secretary of Defense to ensure that federal and military authorities provide appropriate state authorities with information concerning the release of federal and military sex offenders.
- In addition, President Clinton has asked the Attorney General and the Secretary of Defense to report back to him within 60 days on any legislative changes that would be needed to fully implement the directive.

PRESIDENT CLINTON
DELIVERS THE FIRST
BALANCED BUDGET IN A
GENERATION

*THIS HISTORIC AGREEMENT
PROMOTES THE COUNTRY'S
PRIORITIES*

TABLE OF CONTENTS

- One-Pager Overview of Budget Agreement
- One-Page Summary of President Clinton's Record on Deficit Reduction
- Fact Sheet on the Agreement
- Expanding Educational Opportunity
- Expanding Health Coverage for Children
- Stronger Environmental Enforcement and Protection
- Modernizing and Strengthening Medicare and Medicaid
- Protecting the Nation's Most Vulnerable People

President Clinton Delivers the First Balanced Budget in A Generation

Historic Agreement Promotes the Country's Priorities

President Clinton has achieved a balanced budget agreement that includes critical investments in education, health care, and the environment while strengthening and modernizing Medicare and Medicaid -- just as he promised last year. We have cut the deficit 63% -- from \$290 billion in 1992 to \$107 billion last year. This historic achievement will finish the job, giving the American people the first balanced budget in a generation, while meeting the President's goals.

GOAL: To ensure that every 8 year-old can read, every 12 year-old can log on to the Internet, and every 18 year-old can go to college.

- Largest Pell Grant increase in two decades -- 4 million students will receive a grant of up to \$3,000, an increase of \$300 in the maximum grant.
- \$35 billion of tax cuts targeted to higher education to make college more affordable for America's families.
- An America Reads initiative to mobilize a million tutors to help three million children learn to read by the end of the third grade.
- Expansion of Head Start -- to achieve goal of one million kids in 2002.
- Doubles funding to help schools integrate innovative technology into the curriculum.

GOAL: Expand health coverage for as many as 5 million uncovered children.

- Medicaid improvements and added Medicaid investments.
- A new capped mandatory grant program that provides additional dollars to supplement states efforts to cover uninsured children in working families.

GOAL: Secure and strengthen Medicare and Medicaid

- Extends the solvency of Medicare Trust Fund to at least 2007 through long overdue structural reforms.
- Expands coverage of critical preventive treatments of diseases such as diabetes and breast cancer.
- Preserves the federal Medicaid guarantee of coverage to our nation's most vulnerable people.

GOAL: Strengthen environmental protection and enforcement

- Accelerates Superfund cleanups by almost 500 sites by the year 2000.
- Expands the Brownfield Redevelopment Initiative to help communities cleanup and redevelop contaminated areas.
- Boosts environmental enforcement to protect public health from environmental threats.

GOAL: Move people from welfare to work and treat legal immigrants fairly

- A Welfare-to-Work tax credit to help long-term welfare recipients to get jobs.
- Restores disability and health benefits for legal immigrants.
- Restores Medicaid coverage for poor legal immigrant children.
- Preserves food stamp benefits for people willing to work.
- Provides States and cities with additional resources to move disadvantaged recipients into jobs.

GOAL: Cut taxes for America's hard working families

- A Child Tax Credit to make it easier for families to raise their kids.
- \$35 billion of tax cuts targeted to higher education to make college more affordable

An Historic Return to Sound Fiscal Footing Deficit Reduction During the Clinton Administration

- **The President inherited a budget deficit of \$290 billion that was expected to explode to over one-half trillion dollars in 2002.** The economy's growth was stagnant and jobs for many Americans were hard to find. A decade of large deficits had weakened the foundation of our economy, cast doubt on the country's ability to self-govern, and sapped our power and prestige abroad.
- **President Clinton addressed this problem of fiscal instability immediately, moving during the first days of his Presidency on a pledge to cut the deficit in half.** Working with Democrats in Congress, he implemented an economic program designed to reduce the deficit and to invest in critical priorities, such as education and training. That economic program also instilled in law a fundamental principal of the President's: no Americans who work hard at their jobs should have to raise their families in poverty.
- **The 1993 economic plan has exceeded all expectations: the economy has produced over 12 million new jobs, the unemployment rate is at its lowest point in 24 years, and the deficit has fallen by 63 percent, falling four years in a row to \$107 billion in 1996.** Mounting evidence suggests the deficit will fall again this year, lengthening the streak of declining deficits to five years -- the longest in 50 years. Private sector growth has averaged a robust 3.5 percent, benefitting from the improved investment climate to which deficit reduction has heavily contributed. Most recently, during the first quarter of this year, the economy surged ahead at a 5.6 percent rate, the fastest growth in a decade.
- **The President began his second term determined to fulfill his goal of balancing the budget.** With this bipartisan balanced budget agreement, working with both Republicans and Democrats, the President finishes the job.
- **As we head into the next century, this bipartisan balanced budget agreement solidifies the nation's economic foundation, restores faith in our ability to govern ourselves, and bolsters our preeminent position in the world economy.**

Fact Sheet on the Budget Agreement

- Budget balances by 2002 -- for the first time since 1969

New Initiatives

- Agreement provides \$34 billion over 5 years for new initiatives, including:
 - \$14 billion for restoring medical and disability benefits to legal immigrants and other improvements to the welfare bill, including funding for communities to help welfare recipients move to work
 - Provides \$16 to \$17 billion to provide health coverage for up to 5 million children by 2002

Discretionary Spending

- Non-defense discretionary outlays are within 1 percent of the President's FY 1998 Budget request over 5 years -- protecting education, the environment, international and other priorities
- Defense spending meets President's FY 1998 Budget request (on budget authority)

Medicare & Medicaid

- Medicare savings of \$115 billion over 5 years, extending the life of the Trust Fund until at least 2007
 - Modernizes Medicare by providing new health plan choices such as PPOs and PSOs and new preventive care benefits, including annual mammograms without co-payments, diabetes self-management, and colorectal screenings
 - Reforms outdated payment methodology for home health, skilled nursing facilities, outpatient departments, and HMOs
 - Phases in, over time, cost of home health care into Part B premium with expanded low income protections
- Medicaid: Imposes new cost constraints (e.g., on disproportionate share hospital payments), while maintaining the Federal guarantee. The agreement responds to States' concerns by dropping the per capita cap proposal, and allowing States more flexibility to manage their Medicaid programs.

Education

- Largest increase in education spending in 30 years
- \$35 billion for education tax cuts, including the Hope Scholarship and the \$10,000 tax deduction
- Increases maximum Pell grant award to \$3,000
- Fully funds the President's America Reads initiative

Environment

- Full funding for the President's priority areas, including Superfund and brownfields
- Full funding for national parks and Federal land management

Tax Cuts

- \$85 billion in net tax cuts, including \$135 billion in gross tax cuts and \$50 billion of revenue raisers and extenders (\$30 billion of which is the extension of the airline ticket tax)
- A majority of the \$135 billion in tax cuts are dedicated to the President's priorities for middle-income tax relief, including education tax cuts and the \$500 per child tax credit

COLAs

- No legislated change in COLAs. Congress will incorporate into its economic assumptions the expected effect of ongoing improvements at the Bureau of Labor Statistics.

Welfare Reform

- A welfare-to-work tax credit to help long-term welfare recipients get jobs
- New flexibility for states and localities to provide benefits for poor families

President Clinton Worked to Expand Educational Opportunity for All

PRESIDENT CLINTON WOULD NOT ACCEPT ANY BALANCED BUDGET AGREEMENT THAT DOES NOT EXPAND EDUCATIONAL OPPORTUNITIES IN AMERICA.

TO OPEN THE DOORS OF COLLEGE, THIS BUDGET AGREEMENT INCLUDES:

- **Pell Grant Expansion.** Includes the largest increase in two decades -- a funding boost of 25%. The maximum award will reach \$3,000, an increase of \$300. In the 1998 budget alone, an additional 348,000 students will receive grants: 130,000 young people from moderate-income families, and 218,000 low income students over the age of 24.
- **Tax cuts for higher education.** To help make college affordable for all American families.
- **Work-Study.** Will continue to expand the availability of work-study jobs, including an increasing number of community service positions, moving closer to the President's commitment to 1 million work-study jobs by the year 2000.

EXPAND ACCESS TO HEAD START AND EARLY HEAD START

- **A Commitment to Enrolling 1 million children in Head Start in 2002.** The President has long been committed to making Head Start, and now Early Start, available to more children. The agreement adopts that goal, accepting the President's proposal for increases from 1998 to 2002.
- **Over the past 4 years, the President, working with allies in Congress, has secured a 43% increase in funds for Head Start.** The program will serve 800,000 in 1997, and the 1998 budget will bring in 86,000 more children.

AMERICA READS CHALLENGE

- **The President has launched the America Reads Challenge to ensure that all kids read well and independently by the end of the third grade.** This commitment includes:
 - **America's Reading Corps.** Will provide individualized after-school and summer help for over three million children in grades K-3. Federal aid would be used to help communities recruit and train over 1 million tutors.

WORKING TO ENSURE THAT EVERY 12 YEAR-OLD CAN LOG ON TO THE INTERNET

- **Technology Literacy.** Doubles funding to help ensure that computers are in every classroom, every classroom is connected to the Internet, all teachers are trained, and that high quality software and on-line resources are available to help schools integrate technology into the curriculum so that students can become technologically literate.

President Clinton Worked to Expand Coverage for Children

**TEN MILLION AMERICAN CHILDREN TODAY
LACK HEALTH CARE COVERAGE.**

THE PRESIDENT'S CHILDREN'S HEALTH INITIATIVE EXPANDS HEALTH CARE COVERAGE FOR MILLIONS OF CHILDREN.

- *THE PRESIDENT FOUGHT TO ENSURE THAT ANY BALANCED BUDGET AGREEMENT EXPANDS CHILDREN'S HEALTH COVERAGE. HIS CHILDREN'S HEALTH INITIATIVE PROVIDES HEALTH COVERAGE FOR AS MANY AS FIVE MILLION ADDITIONAL CHILDREN BY:*

— **Strengthens Medicaid for Children.** The President fought to ensure that the guarantee of Medicaid coverage for all poor children is preserved. Furthermore, the Agreement invests in expanding Medicaid coverage for poor children by:

- Working to enroll many of the three million children who are eligible but not enrolled in Medicaid;
- Providing States with new options to expand coverage to children; and
- Continuing Medicaid coverage for children with disabilities who lost coverage due to definitional changes as well as impoverished legal immigrants.

— **Supports Innovative State Programs through a Capped Mandatory Grant Program.** States could receive grants to:

- Cover children whose families earn too much to qualify for Medicaid but too little to afford private coverage; and
- Builds on innovative programs that address the unique needs of children in each State. For example, programs like State/insurance company partnerships and school-based could be expanded.

President Clinton Worked for Stronger Environmental Enforcement and Protection

PRESIDENT CLINTON WOULD NOT ACCEPT ANY BUDGET THAT DOES NOT INCREASE ENVIRONMENTAL PROTECTION

PRESIDENT CLINTON IS WORKING TO MOVE THE COUNTRY FORWARD TOWARDS A CLEANER ENVIRONMENT:

ACCELERATE TOXIC WASTE CLEANUPS

- **Double the Pace of Superfund Cleanups.** In contrast to earlier Republican efforts to slow cleanups down, the President has achieved a near doubling of the pace of Superfund cleanups. The budget provides for:
 - The cleanup of 500 additional sites by the end of the year 2000 so millions of Americans can enter the next century in healthier neighborhoods.
 - A \$650 million increase over 1997 for Superfund, bringing total funding to \$2.1 billion in 1998.

EXPAND BROWNFIELDS REDEVELOPMENT INITIATIVE

- **Tax Incentives for Distressed Areas.** The President's Brownfields Initiative helps communities cleanup and redevelop contaminated areas with grants and targeted tax incentives, creating jobs and protecting public health.
 - Funding is boosted \$75 million in 1998 to provide grants to communities for site assessment and development planning and to leverage state, local, and private funds to foster redevelopment.

IMPROVE AMERICANS' RIGHT TO KNOW ABOUT TOXICS

- **Expanding Community Right-to-Know.** The budget includes new funds to expand the information people get about toxic threats to their families and communities.

MORE AGGRESSIVE CRIMINAL ENFORCEMENT AGAINST POLLUTERS

- **Stepped-Up Enforcement.** President Clinton is committed to more aggressive enforcement efforts against polluters. The budget provides:
 - Increased funding to train state and local officials who work at the local level to enforce environmental laws.
 - An increase to the account which funds EPA enforcement.

BETTER PROTECTION OF NATIONAL PARKS

- **Helping Preserve our National Heritage. The budget provides a 6 percent (\$66m) increase for national park operations to help improve park facilities and further protect**

PROMOTE ENERGY EFFICIENCY AND RENEWABLE ENERGY

- **The budget contains new funds for energy efficiency and for solar and renewable energy.**

President Clinton Worked to Modernize and Strengthen Medicare and Medicaid

TO MODERNIZE THE MEDICARE PROGRAM AND BRING IT INTO THE 21ST CENTURY, THE BUDGET:

EXTENDS THE LIFE OF THE MEDICARE TRUST FUND UNTIL AT LEAST 2008.

MODERNIZES MEDICARE. The Agreement contains a series of structural reforms which modernize the program, bringing in line with the private sector and preparing it for the baby boom generation. It:

- ☞ ***Increases the number of health plan options*** -- by making Preferred Provider Organizations and Provider Sponsored Organizations -- available to Medicare's seniors and people with disabilities.
- ☞ ***Improves Medicare managed care payment methodology and informed beneficiary choice.*** Addresses geographic disparities in payments; and adjusts managed care rates for overpayments due to favorable selection.
- ☞ ***Builds on the successful hospital prospective payment system model,*** implementing prospective payment systems for skilled nursing home facilities, home health, and hospital outpatient departments.

EXPANDS PREVENTIVE BENEFITS

- ☞ ***Waives cost-sharing for mammography services and provides annual screening mammograms*** for beneficiaries age 40 and older to help detect breast cancer;
- ☞ ***Establishes a diabetes self-management benefit;***
- ☞ ***Covers colorectal screening*** (early detection of cancer can result in less costly treatment, enhanced quality of life, and, in some cases, greater likelihood of cure);
- ☞ ***Increases reimbursement rates for certain immunizations*** to protect seniors from pneumonia, influenza, and hepatitis.

Preserves and Protects Medicaid

— *Achieves \$14.6 billion in savings* through increased State flexibility and a reduction in disproportionate share hospital payments, while maintaining the federal guarantee to coverage. Eliminates per capita cap.

— *Extends Medicaid coverage to uninsured children* through new options and outreach.

— *Restores Medicaid coverage for legal immigrants* allowing children to keep their Medicaid coverage if they lost their SSI eligibility following last year's definitional change, restores Medicaid to legal immigrants who pay taxes, play by the rules but are disabled and maintains eligibility for legal immigrant children whose families are impoverished.

President Clinton Fought to Protect The Most Vulnerable People

al provisions in last year's welfare reform bill had nothing to do with the goals of welfare
1. The President said so at the time and promised to work to correct these provisions. He
to ensure that any agreement protects the most vulnerable in our society.

THE PRESIDENT FOUGHT TO BETTER PROTECT:

CHILDREN

- **Keeping the Guarantee of Medicaid.** Preserves the Federal guarantee of Medicaid coverage for the vulnerable populations who depend on it and contains additional investments to extend coverage to uninsured children.

LEGAL IMMIGRANTS WITH DISABILITIES

- **Current Recipients.** Restores both SSI and Medicaid benefits for immigrants now receiving assistance who became disabled, ensuring that they will not be turned out of their apartments or nursing homes or otherwise left to an uncertain fate.
- **Current Resident Nonrecipients.** Does not change the rules retroactively. Immigrants who are already in the country, are not now receiving benefits and subsequently become disabled will also be fully eligible for SSI and Medicaid benefits.
- **New Entrants.** Partially restores SSI and Medicaid benefits for future arrivals who become disabled after entry--sponsor deeming will be applied with respect to both programs.
- **Children.** Restores SSI (and Medicaid) benefits for disabled legal immigrant children who are now in the country. For children who arrive in the future, sponsor deeming will be applied with respect to both SSI and Medicaid eligibility.
- **Refugees and Asylees.** Extends the SSI and Medicaid eligibility period for refugees and asylees from 5 years after entry (the limit in the welfare bill) to 7 years, in order to give these residents more time to naturalize.

PEOPLE WHO WANT TO WORK BUT CAN'T FIND A JOB

- **Childless adults.** Last year's welfare reform bill harshly restricted food stamps for able-bodied childless adults to only 3 out of every 36 months, unless they are working. This move ignored the fact that finding a job often takes time. The budget agreement adds \$750 million to the Food Stamp program, and redirects existing program funds, to create 190,000 new work slots for food stamp recipients subject to the "3 in 36" time limit.
- **Allows States to exempt up to 15 percent of the food stamp recipients who would otherwise be denied benefits as a result of the "3 in 36" limit.**

These two provisions together will preserve food stamps for approximately half of the able-bodied adults who, even though they are willing to work, would otherwise be ineligible for benefits.

FINISH THE JOB OF WELFARE REFORM

- **Additional resources for areas of particular need.** Adds \$2.0 billion to the Temporary Assistance for Needy Families (TANF) block grant, to be targeted to high-poverty, high-unemployment areas. A share of the additional dollars will go directly to cities with large poverty populations. These resources will give States and cities the help they need to place welfare recipients living in the most disadvantaged areas into lasting jobs.

These funds could be used for wage subsidies to private employers, transportation and other post-employment supportive services essential for job retention, and other effective job creation and placement strategies.

- **Extra incentive for employers.** Most welfare recipients want to work. The agreement establishes an enhanced welfare-to-work tax credit, to provide private employers with an incentive to give recipients a chance.

The welfare-to-work tax credit in the budget agreement would allow employers to claim a credit of up to 50 percent of the first \$10,000 in wages paid during a year to a worker who had been on welfare for a prolonged period of time. The credit is available for up to two years per worker, giving employers an incentive to not just hire, but make efforts to retain long-term welfare recipients.

In addition, expands the existing work opportunity tax credit (WOTC) to include, as one of the eligible populations, individuals subject to the "3 in 36" food stamp limit.
