PRESIDENT CLINTON AND FIRST LADY HILLARY RODHAM CLINTON HOLD ROUNDTABLE ON
EQUAL PAY AND URGE PASSAGE OF PAYCHECK FAIRNESS ACT
WITH NEW WAGE COLLECTION PROVISION
April 7, 1999

Today at the White House, President Clinton and First Lady Hillary Rodham
Clinton will host a rountable with working women and business leaders to
discuss the need to ensure that every working American receives equal pay
and
equal opportunity. A recent report of the President's Council of Economic

Advisors found that, although the gap between women's and men's wages has narrowed substantially since the signing of the Equal Pay Act in 1963, there still exists a significant wage gap that cannot be explained by differences between male and female workers in labor market experience and in the occupation, industry, and union status of jobs they hold.

The President will reiterate his call for prompt passage of the Paycheck Fairness Act, which would strengthen wage discrimination laws and provide for additional training and public education efforts on equal pay. The President also will announce that Senator Tom Daschle, the chief sponsor of the Paycheck Fairness Act, will include a new data collection provision in the bill. That provision will direct the Equal Employment Opportunity Commission (EEOC) to:

- (1) determine what additional data is needed to enforce the federal wage discrimination laws effectively and efficiently, and (2) issue a regulation to provide for collecting this data. Finally, the President will urge Congress to provide the \$14 million he requested for the Equal Pay Initiative in his Fiscal Year 2000 budget.

Paycheck Fairness Act with New Data Collection Provision

The President again will urge Congress to pass the Paycheck Fairness Act, legislation introduced by Senator Tom Daschle and Congresswoman Rosa DeLauro, which would strengthen laws prohibiting wage discrimination. The legislation will be reintroduced with a new data collection provision added. This legislation includes:

New Pay Data Collection Provision. This provision would require the EEOC to complete a survey of data currently available for use in enforcing federal wage discrimination laws and to identify additional data collections that would enhance enforcement of these laws. In addition, the provision would call upon the EEOC to determine the most effective and efficient means possible to collect pay information from employers and issue a regulation, within eighteen months, to collect pay data identified by the race, sex, and national origin of employees.

Increased Penalties for the Equal Pay Act (EPA). The legislation would provide full compensatory and punitive damages as remedies for equal pay violations, in addition to the liquidated damages and back-pay awards currently available under the EPA. This proposal would put gender-based wage discrimination on an equal footing with wage discrimination based on race or ethnicity, for which

uncapped compensatory and punitive damages are already available.

-more-

Non-Retaliation Provision. The bill would prohibit employers from punishing employees for sharing salary information with their co-workers. Many employers are currently free to take action against employees who share wage information. Without the ability to learn about wage disparities, it is difficult for employees to evaluate whether there is wage discrimination.

Training, Research, and Pay Equity Award. The bill would provide for increased training for EEOC employees to identify and respond to wage discrimination claims; research on discrimination in the payment of wages; and the establishment of an award to recognize and promote the achievements of employers in eliminating pay disparities.

Equal Pay Initiative

THE WHITE HOUSE

Office of the Press Secretary

For Immediate Release

April 7, 1999

NATIONAL EQUAL PAY DAY, 1999

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

We live in a time of remarkable promise. Our Nation's economy is the strongest we have experienced in a generation, creating more than 18 million new jobs since 1993 and the fastest growth in real wages in more than two decades. American women have contributed greatly to this record of success; unfortunately, they have not enjoyed an equal share in the prosperity they have helped to create.

The typical woman who works full-time year-round earns approximately 75 cents for every dollar the typical man earns. An African American woman earns just 65 cents and a Hispanic woman earns 55 cents for each dollar that a white man earns. In the course of a week, this pay gap can mean one less bag of groceries, skipping a trip to the doctor, missing a rent payment, or not being able to pay for day care. Over the course of a working lifetime, it can mean thousands of dollars, a smaller pension, and fewer savings to provide for a comfortable retirement. And when a working woman is denied equal pay, it doesn't just hurt her; it also hurts her family. In more than 10 million American households today, the mother is the only breadwinner.

Americans have always believed in justice and equality. We have always believed that those who work hard should be able to provide a decent living for themselves and their children. If we are to live up to those ideals, we must ensure that women do not suffer wage discrimination. We must continue vigorous enforcement of existing laws, such as the Equal Pay Act and Title VII of the Civil Rights Act, so that no employer under-values or underpays the work performed by women. To strengthen Department of Labor and Equal Employment Opportunity Commission efforts to end wage discrimination and expand opportunities in the workplace for women, my Administration has included a \$14 million Equal Pay Initiative in my proposed balanced budget for fiscal year 2000. This initiative will provide more resources to identify wage discrimination, to educate workers and employers about their rights and responsibilities, and to bring more women into better-paying jobs. We will also work with the Congress to pass the proposed Paycheck Fairness Act -- legislation designed to strengthen laws that prohibit wage discrimination.

As we observe National Equal Pay Day, let us reaffirm our commitment to justice and equality in the workplace, and let us build a Nation for the 21st century where the talents, efforts, and hard work of American women will be rightly appreciated and fairly rewarded.

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States of America, do hereby proclaim April 8, 1999, as National Equal Pay Day. I call upon Government officials, law enforcement agencies, business leaders, educators, and the American people to recognize the full value of the skills and contributions of women in the labor force. I urge all employers to review

their wage practices and to ensure that all their employees are paid equitably for their work.

IN WITNESS WHEREOF, I have hereunto set my hand this seventh day of April, in the year of our Lord nineteen hundred and ninety-nine, and of the Independence of the United States of America the two hundred and twenty-third.

WILLIAM J. CLINTON

The roundtable went very well, and the women's groups with whom I spoke seemed very happy. In fact, a few said it was the best roundtable they had seen. The nurse stayed completely on message and emphasized that she wanted nurses to be paid more because her daughter is going into nursing. There was no mention of comparable worth at all. The President seemed to particularly like the older woman and how it tied into saving Social Security. Another potential disaster averted

Hate Crimes Bill Fate Uncertain

By DARLENE SUPERVILLE Associated Press Writer
WASHINGTON (AP) -- Legislation that would broaden the federal hate crimes law by including offenses based on sexual orientation faces an uncertain future despite President Clinton's call for lawmakers to pass it this year. A similar bill, which Clinton also pushed, died in the last Congress. Neither the House nor the Senate or any of the appropriate committees voted on it. The White House and other supporters hope public outrage over recent well-publicized hate crimes will help advance the measure this time around. But opposition, however, appears so strong that a lead sponsor, Sen. Arlen Specter, R-Pa., doubts whether Congress will approve it. ``We have to face the reality that it's a very tough sell,''' Specter, a former local prosecutor, said in an interview Wednesday. ``After a while you can develop a majority (of

The current plan is for Shalala to call Governors Carper, Thompson, Leavitt, O'Bannon, and Hunt late tomorrow afternoon) and tell them where we ended up on their big 3 issues (definition of assistance, separate state programs, waivers). Would you prefer to call any of these guys instead?

Paper. We're planning to make heads up calls to governors and others Friday without distributing paper. Does that make sense to you?

DRAFT 4/7/99
TITLE XI—GENERAL PROVISIONS
Section-by-Section Analysis

Title XI of the bill would amend Title XIV of the ESEA containing general provisions relating to the Act.

Section 1101 (Definitions). Section 1101 of the bill would amend various provisions of Part A of Title XIV of the ESEA to: (1) amend the definition of the term “covered program,” (2) add a new definition for the term “family literacy services,” and (3) make a number of cross-reference changes from provisions and parts in Title XIV of the ESEA to provisions and parts in Title XI of the ESEA to reflect the redesignation of Title XIV as Title XI by section 1108 of the bill. As amended, covered programs would be: part A of Title I; part C of Title I; part A of Title II; part B of Title III; part A of Title IV (other than section 4115), the Comprehensive School Reform Demonstration Program, and Title VI. The term “family literacy services” would mean services provided to eligible participants on a voluntary basis that are of sufficient intensity, both in hours and duration, to make sustainable changes in a family, and that integrate interactive literacy activities between parents and their children, training for parents on how to be the primary teacher for their children and full partners in the education of their children, parent literacy training leading to self-sufficiency, and an age-appropriate education to prepare children for success in school and life experiences.

Section 1102 (Administrative funds). Section 1102 of the bill would amend various provisions of Part B of Title XIV of the ESEA to: (1) revise the list of programs that are subject to the authority to consolidate State administrative funds; (2) expand the list of additional uses for consolidated administrative funds; (3) clarify that local consolidated administrative funds may be used at the school district and school level; and (4) clarify the circumstances under which a local educational agency may transfer a portion of its funds under one covered program to another covered program.

Paragraph 1(A) would revise the list of programs in section 14201(a)(2) of the ESEA whose administrative funds may be consolidated to include programs under Titles I, II-A, III-B, and IV-A (other than section 4115) of the ESEA, the Comprehensive School Reform Demonstration Program, title VI of the ESEA (Class Size Reduction), the Carl D. Perkins Vocational and Technical Education Act of 1998, and such other programs as the Secretary may designate.

Paragraph 1(B) would amend section 14201(b)(2) of the ESEA to revise the list of additional uses (for the consolidated administrative funds) to include: (1) State level activities designed to carry out Title XI (the redesignated general provisions title) including Part B (accountability); (2) coordination of included programs with other Federal and non-Federal programs; (3) the establishment and operation of peer-review mechanisms under the ESEA; (4) collaborative activities with other State educational

agencies to improve administration under the Act; (5) the dissemination of information regarding model programs and practices; (6) technical assistance under the included programs; (7) training personnel engaged in audit and other monitoring activities; and (8) implementation of the Cooperative Audit Resolution and Oversight Initiative. (Items (1), (4),(7), and (8) provide new authority.)

Paragraph 1(C) of the bill would strike out section 14201(f) of the ESEA (relating to Goals 2000).

Paragraph 2(B) of the bill would make a clarifying change to section 14203 of the ESEA (consolidation of funds for local administration) to make clear that a local educational agency may use local consolidated funds at the school district and school levels for uses comparable to those described above for consolidated State administrative funds.

Paragraph (5) would amend section 14206(a) of the ESEA to authorize a local educational agency that determines for any fiscal year that funds under one covered program (other than Title I-A) would be more effective in helping all its students achieve the State's challenging standards if used under another covered program, to use such funds (not to exceed five percent of the LEA's total allotment under that program) to carry out programs or activities under the other covered program. The LEA would be required to obtain the approval of its SEA for this use.

Paragraphs 2(A), (4) and 5(C) would make conforming amendments.

Paragraph (3) would repeal section 14204 of the ESEA (relating to administrative funds study).

Section 1103 (Coordination of Programs). Section 1103 would amend provisions of part C of title XIV of the ESEA relating to consolidated State plans and consolidated local plans and add a new section on consolidated State reporting.

Section 1103(1) of the bill would substantially revise section 14302 of the ESEA, which provides authority for a State educational agency to submit a consolidated State plan instead of separate State plans for the programs covered by that section.

Proposed section 14302(a)(1) would direct the Secretary to establish procedures and criteria under which a State educational agency may submit a consolidated State plan meeting the requirements of section 14302. An SEA would be authorized to submit a consolidated State plan for any or all of the covered programs in which the State participates and the additional programs described in proposed section 14302(a)(2). These additional programs include: (1) the Even Start program under Title I-B; (2) the Neglected or Delinquent program under Title I-D; (3) programs under Title II-A of the Carl D. Perkins Vocational and Technical Education Act of 1998; and (4) such other programs as the Secretary may designate.

Proposed section 14302(a)(3) would provide for the State development and submission of a consolidated State plan. Under section 14302(a)(3)(A), an SEA desiring to receive a grant under two or more programs to which the section applies would be authorized to submit a consolidated State plan. Under section 14302(a)(3)(B) that agency would not be required to submit a separate State plan for the programs included in the consolidated State plan. Proposed new section 14302(a)(3)(C) would provide that the SEA must comply with all legal requirements applicable to the programs included in the consolidated State plan as if it had submitted separate State plans.

Proposed new section 14302(a)(4) would specify that an SEA desiring to receive funds under a program subject to section 14302 for fiscal year 2001 and the succeeding four fiscal years must submit a new consolidated State plan meeting the requirements of that section.

Proposed section 14302(b) would provide for the content of a consolidated State plan. Proposed section 14302(b)(1) would direct the Secretary to collaborate with SEAs and other named parties in establishing criteria and procedures. Through this collaborative process, the Secretary would establish for each program the descriptions and information that must be included in the plan. Proposed section 14302(b)(1)(B)(ii) would direct the Secretary to ensure that a consolidated State plan contains, for each program included in the plan, the descriptions and information needed to ensure proper and effective administration of that program in accordance with its purposes. This provision is designed to strengthen the consolidated plan as an instrument of effective administration of each program included.

Proposed section 14302(b)(2) would require an SEA to describe in its plan how funds under the included programs will be integrated to best serve the needs of the students and teachers intended to benefit and how such funds will be coordinated between other covered programs not included in the plan and related programs (such as Reading Excellence, Twenty-first Century Learning Centers and the Teacher Quality Enhancement Programs under Title II of the HEA).

Proposed new section 14302(c) would require an SEA to include in its consolidated State plan any information required by the Secretary under proposed new section 11802 regarding performance indicators, benchmarks and targets and any other indicators or measures that the State determines are appropriate for evaluation of performance.

Proposed new section 14302(d) would require an SEA to include in its consolidated State plan a description of the strategies it will use under proposed section 11503(a)(4) and (5) (relating to State monitoring and data integrity).

Proposed new section 14302(e) would establish procedures for peer review and Secretarial approval. The Secretary would be required to establish a peer-review process to assist in the review of consolidated State plans and provide recommendations for revision. To the extent practicable, the Secretary would be directed by proposed new

section 14302(e)(1) to appoint individuals who: (1) are knowledgeable and the programs and target populations; (2) are representative of SEAs, LEAs, and teachers and parents of students served under the programs, and (3) have expertise on educational standards, assessment, and accountability.

Proposed section 14302(e)(2) would direct the Secretary to approve a plan if it meets the requirements of the section and would authorize the Secretary to accompany such approval with one or more conditions. Under proposed new section 14302(e)(3) the Secretary would be required to notify the State of that determination and the reasons for it. Proposed new section 14302(e)(4) would require the Secretary, before disapproving a plan to offer the State an opportunity to revise the plan, provide technical assistance, and provide a hearing.

Proposed new section 14302(f) would provide for revision and amendment of a consolidated State plan.

Section 1103(2) of the bill would amend section 14303(a) of the ESEA to provide for uniform State assurances regarding monitoring and data integrity. Paragraph 2(B) of section 1103 would insert a new paragraph (4) in section 14303 requiring the State to assure that it will monitor performance by LEAs to ensure compliance with the requirements of the ESEA and, in so doing, will: (1) maintain proper documentation of monitoring activities; (2) provide technical assistance when appropriate and undertake enforcement activities when needed; and (3) systematically analyze the results of audits and other monitoring activities to identify trends in funding and develop strategies to correct problems. Paragraph 2(B) would further amend section 14303(a) of the ESEA by adding a new paragraph (5) requiring the State to assure that the data the State uses to measure its performance (and that of its LEAs) under the ESEA are complete, reliable, and accurate, or, if not, the State will take such steps as are necessary to make that data complete, reliable and accurate.

Section 11303(3) of the bill would amend section 14305 of the ESEA (relating to consolidated local plans). Proposed sections 14305(a)-(c) would clarify and restate current law. Under proposed section 14305(a) an LEA receiving funds under more than one covered program may submit plans to the SEA under such programs on a consolidated basis. Proposed section 14305(b) would authorize an SEA that has an approved consolidated State plan to authorize or require its LEAs that receive funds under more than one program included in the consolidated State plan to submit consolidated local plans for such programs. Proposed section 14305(c) would require an SEA to collaborate with LEAs in the State in establishing procedures for the submission of the consolidated local plans. For each program under the ESEA that may be included in a local consolidated plan, proposed new section 14305(d) would authorize the Secretary to designate the descriptions and information that must be included in a local consolidated plan to ensure that each program is administered in a proper and effective manner in accordance with its purposes.

Section 1103(4) of the bill would make conforming amendments to section 14306 of the ESEA (relating to other general assurances), and section 1103(5) would repeal section 14307 of the ESEA (relating to relationship of State and local plans to plans under the Goals 2000: Educate America Act).

Section 1103(6) of the bill would amend Part C of Title XIV of the ESEA by adding a new section 14307 authorizing the Secretary to establish procedures and criteria under which an SEA that has a consolidated State plan must submit a consolidated State annual performance report. Proposed section 14307 would require that the report include information about the covered programs, including the State's performance under those programs, and other matters, as the Secretary determines, including monitoring activities under proposed new section 11503(a)(4). Submission of a consolidated performance report would take the place of individual performance reports for the programs subject to it.

Section 1104 (Waivers). Section 1104 of the bill would amend section 14401 of the ESEA relating to waivers.

Section 1104(1) would amend section 14401(a) of the ESEA to add the Carl D. Perkins Vocational and Technical Education Act of 1998 and part B of title VII of the Stewart B. McKinney Homeless Assistance Act" as programs to which section 14401 applies. Section 1104(2) would amend section 14401(b)(1) to require that an SEA, LEA, or Indian tribe that desires a waiver submit an application to the Secretary containing such information as the Secretary may reasonably require. Each such application would be required to: (1) indicate each Federal program affected and the statutory or regulatory requirements requested to be waived; (2) describe the purpose and expected results of the waiver; (3) describe, for each school year, specific, measurable goals for the SEA and for each LEA, Indian tribe, or school that would be affected; and (d) explain why the waiver would assist in reaching these goals. Section 1104(3) would make conforming amendments to section 14401(c), relating to restrictions on the waiver authority, would add health and safety to the list of requirements that may not be waived.

Section 1105 (Uniform provisions). Section 1105 of the bill would amend various provisions of Part E of Title XIV of the ESEA relating to uniform provisions concerning maintenance of effort and participation by private school children and teachers.

Section 1105(1) would amend section 14501(a) of the ESEA, relating to maintenance of effort, to make that section inapplicable to Part C of Title I of that Act.

Section 1105(2) would amend section 14503 of the ESEA by adding a new subparagraph (B) to section 14503(a)(3). The proposed new subparagraph would provide that, if the needs of eligible children enrolled in private schools are different from the needs of children enrolled in public schools, an LEA must provide services and other benefits to the private school children that address their needs. Section 1105(2) would further amend section 14503 by making it apply to programs under: Title I-C; Title I-E; Title II-A, to the extent provided in section 2135(a); Title III, Title IV-A (other than

section 4115), and Title VII of the ESEA. Paragraph (2) would also amend section 14503(c)(1), relating to issues to be covered by consultation between designated public educational agencies and appropriate private school officials. These new issues would be: (1) to the extent applicable, the amount of funds received by the agency that are attributable to private school children; and (2) how and when the agency will make decisions about the delivery of services to these children.

Section 1105(2) would also amend section 14503(c)(2) to clarify the timing of such consultation. Under the proposed new section 14503(c)(2), such consultation would be required to: include meetings of agency and private school officials, to occur before the LEA makes any decision that affects the opportunities of eligible private school children or their teachers to participate in programs under the Act, and to continue throughout the implementation and assessment of activities under section 14503.

Paragraphs (3) and (4) amend sections 14504 and 14506 to make conforming amendments to cross-references. Paragraph (5) repeals sections 14513 and 14514 of the ESEA.

Section 1106 (Gun Possession.) Section 1106 of the bill would repeal Part F of Title XIV of the ESEA relating to gun possession. This authority would be transferred to Title IV of the ESEA by section ___ of the bill.

Section 1107 (Evaluation and indicators). Section 1107 of the bill would amend Part G of Title XIV to revise section 14701, relating to evaluation, and to add a new section 14702, authorizing the Secretary to establish performance indicators for each program under the Act and Title VII-B of the Stewart B. McKinney Homeless Assistance Act.

Section 1107(1) would amend the heading of Part G to read: "EVALUATION AND INDICATORS." Section 1107(2) would add to section 14701(a)(1) new subparagraphs that would authorize the Secretary, with the funds reserved under the section, to: (1) conduct evaluations to carry out the purposes of the Government and Performance Results Act of 1993, and (2) work in partnership with the States to develop information relating to program performance that can be used to help achieve continuous improvement at the State, school district, and school level. Section 1107(2) would also substitute for paragraphs (b) and (c) of section 14701 new subsections (b) through (e). Proposed new section 14701 (b) would direct the Secretary to use funds reserved under subsection (a) to conduct independent studies of programs under the Act and the effectiveness of these programs in achieving their purposes, to determine whether the programs are achieving the standards set forth in the subsection. Proposed new section 14701(c) would direct the Secretary to establish an independent panel to review these studies, to advise the Secretary on their progress, and to comment, if it so chooses, on the final report under section 14701(d). Proposed new section 14701(d) would direct the Secretary to submit an interim report on the evaluations within three years of enactment of the bill and a final report within four years to the Committee on Education and the

Workforce of the House of Representatives and to the Committee on Labor and Human Resources of the Senate. Proposed section 14701(e) would authorize the Secretary to provide technical assistance to recipients under the ESEA to strengthen the collection and assessment of information relating to program performance and quality assurance at State and local levels. The proposed subsection would require that the technical assistance be designed to promote the development, use and reporting of data on valid, reliable, timely, and consistent performance indicators, within and across programs with the goal of providing continuous program improvement.

Section 1107(3) would add a new section 14702 relating to performance measures. Proposed new section 14702 (a) would authorize the Secretary to establish performance indicators, benchmarks, and targets for each program under the Act and part B of Title VII-B of the McKinney Homeless Assistance Act, to assist in measuring program performance. It would require that the indicators, benchmarks, and targets be consistent with the Government Performance and Results Act of 1993, strategic plans adopted by the Secretary under that Act, and section 11501.

Proposed new section 14702(b) would direct the Secretary to collaborate with SEAs, LEAs and other recipients under the Act in establishing indicators, benchmarks, and targets. Proposed new section 14702(c) would authorize the Secretary to require an applicant for funds under the ESEA or the McKinney Act to (1) include in its plan or application information relating to how it will use the indicators, benchmarks and targets to improve its program performance and (2) report data relating to such indicators, benchmarks and targets to the Secretary.

Section. 1108. Coordinated Services. Section 1108 would transfer Title XI of the ESEA relating to coordinated services to Title XIV as part I, would make conforming amendments to Title XI, and would require that applications for coordinated services projects be made to the State educational agency rather than the Secretary.

Section 1109. Redesignations. Section 1109 of the bill would redesignate Title XIV of the ESEA as Title XI of the ESEA and make conforming amendments to its parts and sections.

PRESIDENT WILLIAM J. CLINTON

RADIO ADDRESS ON WELFARE REFORM

THE WHITE HOUSE

April 9, 1999

Good morning. Today, I want to talk to you about our continuing efforts to break the cycle of dependency and make responsibility and work a way of life for all Americans.

Work is more than just a weekly paycheck -- it is at the heart of our way of life. Work lends purpose and dignity to our lives, and instills in our children the basic values that built our nation. But for too long, too many Americans were trapped in a broken welfare system that exiled generation after generation from the mainstream of American life.

I took office determined to change that. From giving the states the flexibility they need to make welfare a second chance, not a way of life ... to signing the historic bipartisan Welfare Reform bill that ended welfare as we knew it ... to launching the Welfare to Work partnership to create private sector jobs for welfare recipients, we have made remarkable progress.

Today, I am pleased to announce that since 1993, we have cut the welfare rolls nearly in half, by a record 6.5 million people. Thanks to a strong economy and the strong efforts of the private sector, the number of Americans who have replaced welfare checks with pay checks has tripled since 1992. I am proud to announce that we in the national government are doing our part to help, surpassing the goal we set for ourselves by hiring almost 12,000 welfare recipients in just two years.

You can see evidence of our progress in communities across the country. You can see it in hard-pressed neighborhoods where bus drivers who used to pass by empty stations now report that their buses are filled with people on their way to work. And you can see it on inner city streets where new store-front tax preparing services are helping people file their income tax returns -- some for the first time in their lives.

Reforming our broken welfare system was the right thing to do -- now we must finish the job. Today, I am pleased to unveil the final welfare reform rules that we envisioned in 1996. The new regulations

enforce strict work requirements and hold states accountable for moving people from the welfare rolls to the workplace. Just as important, the new regulations encourage states to help families moving from welfare to work with child care, transportation, and job-retention services.

These final welfare reform regulations are a milestone in our efforts to restore responsibility and make work a way of life again for all Americans. But to finish the job of welfare reform, we must do more. Now, in this time of great prosperity, with our economy booming and our confidence high, we cannot afford to leave anyone behind.

One of the biggest obstacles facing all working families -- and especially families on welfare -- is lack of access to child care. I have proposed a comprehensive plan to make child care better, safer, and more affordable. I am pleased that with bipartisan support the Senate recently approved \$5 billion in new funding that could provide child care to up to 850,000 more children. I hope this is the year the Congress takes action to address our nation's long-term child care needs and gives America's working families the support they need to thrive.

Finally, we cannot finish the job of welfare reform without doing more to help people who have the hardest time moving from welfare to work. Very often these people live in the poorest neighborhoods and have the poorest job skills. Some have never worked in their adult lives. The Department of Labor's Welfare to Work program has already helped tens thousands of long-term welfare recipients like these to leave welfare behind. That is why I call on the Congress to pass my plan to invest another \$1 billion in this vitally important program.

Robert Kennedy once said that "Work is the meaning of what this country is all about. We need it as individuals, we need to sense it in our fellow citizens, and we need it as a society and as a people."

Thanks for listening.

But to finish the job of welfare reform, we must redouble our efforts. Now, in this time of great prosperity, with our economy booming and our confidence high, we cannot afford to leave anyone behind.

One of the biggest obstacles facing all working families is finding child care they can afford and trust. I have proposed a comprehensive plan to make child care better, safer, and more affordable. I am pleased that the Senate recently approved with bipartisan support \$5 billion in new funding that could provide child care assistance for about 850,000 more children over the next five years. I hope this is the year the Congress takes action to give America's working families the child care support they need to thrive.

With these steps, we can make the legacy of welfare dependency a memory of the 20th Century -- and build a community of work and responsibility in the 21st Century.
