TEXT:

At yesterday's tobacco strategy meeting several people mentioned rumors about a possible settlement in the MN case. I have checked with a couple of senior members of Humphrey's staff and they told me that there are currently no discussions with the industry about a settlement of their case nor are they expecting any, that Humphrey has been on record for some time about what it would take to settle the case (I'll let you just imagine the terms), and that the state has at least another month to go in presenting its case.

While I hadn't heard any MN rumors, I have heard rumors about a major announcement in the next 2 months from the Justice criminal investigation.
