The floral center pieces feature gold roses, cream roses, blue delphinium, lisianthus and lemon leaves in containers from the Vermeil collection. The arrangements are complemented by four fifteen-inch classic gold vermeil candlesticks with 24-inch gold tapers and four gold votives.

Following the dinner, guests will be entertained in the Rose Garden by the National Dance Institute (NDI). The National Dance Institute was founded in 1976 by New York City Ballet dancer, Jacques d'Amboise with the belief that the arts have a unique power to engage children and to motivate them. NDI is now one of the nation's largest arts education organizations. For the performance on Thursday evening, NDI will bring together dancers ages 9 - 15 from New York, New Jersey, The District of Columbia and North Carolina. President Clinton first saw the NDI dancers perform in December 1995 during the Kennedy Center Honors where Mr. d'Amboise was a recipient of the 1995 honors.

At the conclusion of the entertainment, the President and Mrs. Clinton will escort President Stephanopolous to the North Portico for their departure. Guests will be invited to continue the evening with dancing in the Grand Foyer.

**FIRST LADY HILLARY RODHAM CLINTON TO VISIT ROMANIA,

ESTONIA AND FINLAND**

WASHINGTON, DC -- First Lady Hillary Rodham Clinton will travel to Central and Eastern Europe July 1 through July 11 of 1996. The visit serves to underscore the United States' support for the newly democratic countries of that region.

Mrs. Clinton's visit is intended to highlight for the world community the significant political, economic and social progress of the people of Central and Eastern Europe, and at the same time, draw attention to the continuing challenges they face. These challenges encompass the essential building blocks of all democracies -- political participation; tolerance and respect for the rights of the individual; investment in families; and development of market economies and economic opportunities for their citizens.

The First Lady is making the trip at President Clinton's request. After accompanying the President to the G-7 Conference in Lyon, France, Mrs. Clinton will travel to Romania, Poland, the Czech Republic, Slovakia, Hungary, Estonia and Finland.
