**I**nspired by filmmaker George Lucas, *Learn & Live*<sup>TM</sup> is a one-hour documentary film, hosted by Robin Williams, and a companion resource book. The documentary film shows innovative schools around the country that are integrating technology with teaching and learning and involving parents, business, and the community.

Building on the outstanding programs depicted in the documentary film, the 300-page resource book describes how education is changing nationwide and helps connect readers to experts and information.
