Eine Freundin so goldig wie Du  
 Eine Stunde Glück  
 Er oder Ich  
 Es gibt eine Frau, die Dich niemals vergisst  
 Flachsmann als Erzieher  
 Heute Nacht - eventuell  
 Im Kampf mit der Unterwelt  
 In einer kleinen Konditorei  
 In Wien hab' ich einmal ein Mädel geliebt  
 Komm' zu mir zum Rendezvous  
 Leutnant warst Du einst bei den Husaren  
 Lumpenball  
 Menschen im Busch  
 Mit Büchse und Lasso durch Afrika  
 O alte Burschenherrlichkeit  
 Pension Schöller  
 Rivalen im Weltrekord  
 Sei gegrüßt, Du mein schönes Sorrent  
 Seitensprünge  
 Student sein, wenn die Veilchen blühen  
 Stürme über dem Montblanc  
 1000 Worte deutsch  
 Va Banque  
 Wellen der Leidenschaft  
 (Kurs auf die Ehe)  
 Wiener Herzen

 in the United States

Under the authority of the Trading with the enemy Act, as amended and Executive Order No. 9095, as amended, and pursuant to law, the undersigned, after investigation:

1. Finding that each of the individuals whose names and last known addresses are set forth in Exhibit A attached hereto and by reference made a part hereof, is a resident of, and that each of the companies referred to in such Exhibit is organized under the laws of, Germany and that therefore each of such individuals and companies is a national of a designated enemy country (Germany);

All motion picture films in the United States owned and controlled by the German Government and/or the individuals and companies and each of them whose names and last known addresses are listed in said Exhibit A,

is property within the United States owned or controlled by a designated enemy country (Germany) and/or nationals thereof;

4. Determining that to the extent that the aforesaid nationals are persons not within a designated enemy country, the national interest of the United States requires that such persons be treated as nationals of the aforesaid designated enemy country (Germany);

6. Deeming it necessary in the national interest;

hereby vests in the Alien Property Custodian the property hereinbefore described in subparagraph 3, to be held, used, administered, liquidated, sold or otherwise dealt with in the interest of and for the benefit of the United States.

Such property, and any or all of the proceeds thereof, shall be held in an appropriate special account or accounts, pending further determination of the Alien Property Custodian. This shall not be deemed to limit the powers of the Alien Property Custodian to return such property or the proceeds thereof, or to indicate that compensation will not be paid in lieu thereof, if and when it should be determined that such return should be made or such compensation should be paid.

Any person, except a national of a designated enemy country, asserting any claim arising as a result of this order may file with the Alien Property Custodian a notice of his claim, together with a request for a hearing thereon, on Form APC-1, within one year from the date hereof, or within such further time as may be allowed by the Alien Property Custodian. In the Matter of the Claim of

RICHARD OSWALD and  
KATHARINA OSWALD

DETERMINATION

Claim No. 3317

Statement of the Claim

This is a claim for the return of all physical prints, copyright interests in, and royalties received from motion picture films produced by Ric Film G.m.b.H. and Roto Film G.m.b.H. of Berlin, Germany, which were vested by the Alien Property Custodian under Vesting Order Nos. 933 dated February 22, 1943, 1047 dated March 11, 1943, and 3584 dated May 8, 1946, as property in which a national of a foreign country (Germany) had an interest. The claim further seeks a return of two films entitled "Alraune" and "Schubert's Frühlingstraum", together with all royalties received from the exhibition thereof in the United States. On August 1, 1947, Richard and Katharina Oswald filed a Notice of Claim on Form APG-1A for a return of the property.

The claimants seek a return of the property under section 32(a) of the Trading with the Enemy Act, as amended, and allege that

 Box 351

they were the owners of the property immediately prior to the vesting thereof.

This matter has been submitted to me for determination upon recommendation for allowance by the Chief, Claims Branch. In accordance with section 32(f) of the Trading with the Enemy Act, as amended, notice of intention to return the claimed property was published in the Federal Register on April 20, 1942 (12 F.R. 1908). No response to said notice has been received indicating any reason for withholding return of the property claimed.

Upon the basis of the reports of investigation, the representations made by the claimants in the claim forms, exhibits and in other documents of record, I make the following findings and conclusions:

The Property - Title - Section 32(a)(1)

Vesting Order Nos. 338, 1017 and 3552 vested motion picture films produced by the Film Gembell, and Roto Film Gembell,<sup>1</sup> films produced by Richard Oswald-Production were not specifically vested by the Alien Property Custodian but two of its productions entitled "Alrane" and "Schubart's Frühlingstraum" were voluntarily transferred to and accepted by this office.

Richard and Katharina Oswald were the sole owners of Rio Film G.m.b.H., Rote Film, G.m.b.H., and Richard Oswald Production.<sup>2/</sup> Upon dissolution of the corporations on September 15, 1937 all negatives and film rights held by the three corporations were transferred to Richard and Katharina Oswald by the liquidator.<sup>3/</sup> All licenses granted by the corporations or by the claimants subsequent to liquidation, for the exhibition of the films in the United States were for a period of 5 years and had expired previous to vesting.<sup>4/</sup>

Of the films claimed, only the following have been reduced to possession by this Office:

Airraume  
 Der Hauptmann von Kopenick  
 Ein Lied geht um die Welt  
 Schubert's Frühlingstraum  
 Unheimliche Geschichten  
 Viktoria und ihr Husar

The return, therefore, will be limited to the above films,<sup>5/</sup> and all rights and interests presently held by the Attorney General<sup>6/</sup> in the remainder of the claimed films. The claimants have consented to this type of a return.

- 2/ German Commercial Register.
- 3/ Affidavit of Liquidator, Emil Preese, dated May 29, 1947.
- 4/ Correspondence from Mrs. Hettie Dyhrenfurth in regard to license granted her by the claimants for exhibition of the film entitled "Unheimliche Geschichten". Affidavit of claimants summarizing all contracts in regard to the claimed films filed in lieu of contracts which were not available. Trade custom as enforced by the German Association for Foreign Film trade which limited the term of foreign licenses to 5 years, provided that title to the films remained in the licensor, and that all prints and negatives were to be returned to the licensor upon expiration of the license.
- 5/ The words "Attorney General" appearing herein include his predecessor, the Alien Property Custodian.

Licenses have been granted by the Attorney General for the exploitation of three of the claimed films.<sup>6/</sup> Royalties in the approximate amount of \$3,000.00 have been received under these licenses as of January 1, 1949.

Claimants, immediately prior to vesting, were the owners of the claimed property within the meaning of section 32(a)(1).

No reports relative to the property have been filed by the claimants with the Attorney General. As claimants are American citizens, no consideration need be given to increment, if any, in the property claimed.

Eligibility - Section 32(a)(2)

The claimant, Katharina Oswald, was born on December 27, 1899 in Dusseldorf, Germany. She entered the United States for permanent residence on November 23, 1938 and has remained here since that date. She became an American citizen by naturalization on August 11, 1944.

- 
- 6/ LM-889 and LM-1254 granted to Henry Kaufman, New York, New York, for the exhibition of "Schubert's Frühlingstraum". These licenses expired on April 12, 1946 and March 1, 1948, respectively. LM-860 granted Brandon Films, Inc., New York, New York for the exhibition of "Der Hauptmann von Kopenick". This license expired on May 20, 1946. LM-835 granted to National Road Shows, Inc. for the exhibition of "Unheimliche Geschichten". This license expired on December 29, 1947.

RG 131-OAP

File 10.933

The claimant, Richard Oswald, was born on November 5, 1880 in Vienna, Austria. He entered the United States on November 23, 1938 and has remained here since that date. He became an American citizen by naturalization on February 26, 1944. They are not disqualified by section 32(a)(2).

Cloaking - Section 32(a)(3)

The claimants have at no time attempted to conceal any enemy interest in the property claimed nor assented to any arrangement to conceal any property or interest of a person ineligible to receive a return.

Renegotiation Liability - Section 32(a)(4)

The Attorney General has granted licenses for the exposition of three of the films. Royalties received from these licenses are not subject to renegotiation. The claimants' representation that they have no renegotiation liability has been confirmed by all interested Government agencies. There is no actual or potential liability under the Renegotiation Act (58 Stat. 1018) within the meaning of section 32(a)(4).

National Interest - Section 32(a)(5)

Consultive inquiries have been addressed to the interested offices in this Department and other Federal agencies. After considering information received respecting the claimants, including responses to the consultive inquiries, it is concluded that return in this case is in the interest of the United States.

RG 131-OAP  
Entry 65A 1063  
File V.O. 933  
Box 351

Conservator Expenses - Section 32(g)

After final audit of the account relating to the property claimed has been made, expenses, if any, incurred for the conservation, preservation and maintenance of the property, will be deducted prior to return.

Taxes - Sections 32(d) and 36

Adequate provision will be made for the discharge of allowable tax claims presented prior to the return of the property.

Attorneys' Fees - Section 20

Counsel for the claimants submitted a statement to this Office dated March 29, 1949 to the effect that he would not, directly or indirectly, by gift or otherwise, accept any fee for the prosecution of the claim. Therefore, on the record, there are no fees for the prosecution of the claim.

Upon the basis of the foregoing findings and conclusions, it is determined that the applicable statutory provisions of sections 32 and 36 of the Trading with the Enemy Act, as amended, are satisfied and the claim is hereby allowed.

Re: Patents of nationals of France

Under the authority of the Trading with the enemy Act, as amended, and Executive Order No. 9095, as amended, and pursuant to law, the undersigned, after investigation:

1. Finding that the owners of the patents and other property related thereto described in subparagraph 3 hereof are either the persons identified in Exhibit A attached hereto and made a part hereof as the grantees of such patents, respectively, or (in the cases only of those patents, if any, in connection with which no grantees are so identified) the persons identified in said Exhibit A as the respective inventors thereof;
2. Finding that each of such owners is a resident of France, and therefore is a national of a foreign country (France);
3. Finding, therefore, that the property described as follows:

All right, title and interest, including all accrued royalties and all damages and profits recoverable at law or in equity from any person, firm, corporation or government for past infringement thereof, in and to the patents identified in said Exhibit A,

is property of nationals of a foreign country (France);

4. Having made all determinations and taken all action, after appropriate consultation and certification, required by said Executive Order or Act or otherwise; and

5. Deeming it necessary in the national interest;

hereby vests in the Alien Property Custodian the property hereinbefore described in subparagraph 3, to be held, used, administered, liquidated, sold or otherwise dealt with in the interest of and for the benefit of the United States.

Such property, and any or all of the proceeds thereof, shall be held in an appropriate special account or accounts, pending further determination of the Alien Property Custodian. This shall not be deemed to limit the powers of the Alien Property Custodian to return such property or the proceeds thereof, or to indicate that compensation will not be paid in lieu thereof, if and when it should be determined that such return should be made or such compensation should be paid.

Any person, except a national of a designated enemy country, asserting any claim arising as a result of this order may file with the Alien Property Custodian a notice of his claim, together with a request for a hearing thereon, on Form APC-1, within one year from the date hereof, or within such further time as may be allowed by the Alien Property Custodian. Nothing herein contained shall be deemed to constitute an admission of the existence, validity or right to allowance of any such claim.

The terms "national" and "designated enemy country" as used herein shall have the meanings prescribed in Section 10 of said Executive Order.

INVESTIGATION REPORT

SUBJECT: 6,094 Patents of nationals of France (CB)

I PROPERTY(a) Description

1. Patents of foreign nationals identified in Exhibit A attached to the accompanying memorandum.

(b) Ownership

1. The patents were granted on their face to residents of France, and no reports on Form APC-2 or under General Order No. 3 have been filed claiming ownership by anyone other than the grantee.

II GENERAL ANALYSIS

The property involved is patents granted to various persons, all of whom are nationals of a foreign country (France) within the meaning of Section 5 of Executive Order No. 8389, as amended. As no report indicating any change of ownership has been filed, such knowledge as we have indicates that the patents are still owned by the grantees. The property may therefore be vested pursuant to Section 2(d) of Executive Order No. 9095, as amended.

Under the authority of the Trading with the enemy Act, as amended, and Executive Order No. 9095, as amended, and pursuant to law, the undersigned, after investigation, finding that the property described as follows:

Patent applications listed and described in Exhibit A attached hereto and made a part hereof,

is property in which nationals of a foreign country (Norway) have interests, and having made all determinations and taken all action, after appropriate consultation and certification, required by said Executive Order or Act or otherwise, and deeming it necessary in the national interest, hereby vests such property in the Alien Property Custodian, to be held, used, administered, liquidated, sold or otherwise dealt with in the interest of and for the benefit of the United States.

Such property and any or all of the proceeds thereof shall be held in a special account pending further determination of the Alien Property Custodian. This shall not be deemed to limit the power of the Alien Property Custodian to return such property or the proceeds thereof, or to indicate that compensation will not be paid in lieu thereof, if and when it should be determined that such return should be made or such compensation should be paid.

Any person, except a national of a designated enemy country asserting any claim arising as a result of this order may file with the Alien Property Custodian a notice of his claim, together with a request for a hearing thereon, on Form APC-1 within one year from the date hereof, or within such further time as may be allowed by the Alien Property Custodian. Nothing herein contained shall be deemed to constitute an admission of the existence, validity or right to allowance of any such claim.

The terms "national" and "designated enemy country" as used herein shall have the meanings prescribed in Section 10 of said Executive Order.

is probability of misfortune, and government's interest in solid business enterprise would be no more than the interest of every country (Germany), and determining that of the world. But, say all, it is not the function of government to interfere in business, and that is the main point of view of the majority of the world's countries. The United States has been the most notable exception to this general opinion, and has been the most successful in its efforts to control business. The result of this control has been to give the United States a commanding position in the world's markets, and to make it the leading nation in the world.

We have made a thorough search of the records and files of this office and we are unable to find the original recommendation on the case. This is no doubt due to the fact that there was no definite procedure established at the time of the signing of Vesting Order Number 86. A copy of the recommendation is attached.

All right, title and interest of Katie von Kracker, sometimes known as Katie Kracker von Schwartzenfeld, as life tenant, and of Hubertus Kracker von Schwartzenfeld, Erika Kracker von Schwartzenfeld, Edith von Beuer and Maria (Marie) Kracker von Schwartzenfeld, now known as Frau Hans Staubenmayer, as remaindermen, the last known addresses of all of whom were represented to the undersigned as being in Germany, in and to the trust created under and by the last will and testament of Henry Elias, deceased, which trust is in the process of administration by William J. Elias as sole surviving substituted trustee under the supervision of the Surrogate's Court in the County of New York, State of New York,

is property which is payable or deliverable to, or claimed by, nationals of a designated enemy country (Germany), and determining that to the extent that any or all of such nationals are persons not within a designated enemy country such persons are controlled by or acting for or on behalf of or as cloaks for a designated enemy country (Germany) or a person within such country, and the national interest of the United States requires that such persons be treated as nationals of a designated enemy country, and having made all determinations and taken all action, after appropriate consultation and certification, required by said Executive Order or Act or otherwise, and deeming it necessary in the national interest, hereby vests such property, to be held, used, administered, liquidated, sold or otherwise dealt with in the interest of and for the benefit of the United States.

Such property and any or all of the proceeds thereof shall be held in a special account pending further determination of the Alien Property Custodian. This shall not be deemed to limit the powers of the Alien Property Custodian to return such property or the proceeds thereof, or to indicate that compensation will not be paid in lieu thereof, if and when it should be determined that such return should be made or such compensation should be paid.

Any person, except a national of a designated enemy country, asserting any claim arising as a result of this order may file with the Alien Property Custodian a notice of his claim, together with a request for a hearing thereon, on Form APC-1, within one year from the date hereof, or within such further time as may be allowed by the Alien Property Custodian. Nothing herein contained shall be deemed to constitute an admission of the existence, validity or right to allowance of any such claim.

The terms "national", "designated enemy country" and "business enterprise within the United States" as used herein shall have the meanings prescribed in Section 10 of said Executive Order.

June 26, 1942

MEMORANDUM TO: Executive Committee of the Alien Property Custodian  
FROM: Division of Investigation and Research  
SUBJECT: William J. Elias (as trustee)  
Address: 22-West 59th Street  
New York, New York

RECOMMENDATION

In view of the information hereinafter set forth and the fact that Katie von Kracker, life tenant, residing at  
Berlin, N. W. 87, Germany  
Schleswiger Ufer 5 III

is a national of a foreign country under Executive Order No. 8389, as amended, as defined therein, it is hereby recommended that there be vested:

All of the right, title, and interest, the same being a life interest, of said Katie von Kracker, in a certain trust, created under the will of Henry Elias which was probated in the year 1888.

And in view of the information hereinafter set forth and the fact that Hubertus Kracker von Schwartzenfeld, Frau Hans Staufenmayer, Erika Kracker von Schwartzenfeld, residing at

Berlin, N. W. 87, Germany  
Schleswiger Ufer 5 III,

and Edith von Bauer, residing at 7 Jager Allee, Potsdam, Germany, remaindermen, are nationals of a foreign country as designated under Executive Order No. 8389, as amended, as defined therein, it is hereby recommended that there be vested:

All of the right, title, and interest, the same being a remainder interest contingent upon their surviving their mother, of said Hubertus Kracker von Schwartzenfeld, Frau Hans Staufenmayer, Erika Kracker von Schwartzenfeld, and Edith von Bauer, in a certain trust, created under the will of Henry Elias which was probated in the year 1888.

BASIS FOR RECOMMENDATION

The life tenant and remaindermen of this trust are residents of Germany and therefore German nationals, and their interests in the trust are subject to the Custodian's jurisdiction and authority.

History of the Trust

Henry Elias, an American citizen, founder of the Henry Elias Brewing Company of New York City, died in New York in the year 1888. In his will he provided for the setting up of four trusts. 1/

One of these trusts was for the benefit of his daughter, Katie, known later as Katie von Kracker, and also designated as Katie Kracker von Schwartzenfeld, a German national. 2/

Although born in this country, Katie moved to Germany at the time of her first marriage, before the turn of the century, and has resided there almost continuously ever since, according to her brother, William J. Elias, trustee of the subject trust fund. 2/ She is, or is believed to be, living in Berlin, at the present time, her address being:

Berlin, N. W. 87,  
 Schleswiger Ufer 5 III

By the terms of the will, Katie von Kracker was to receive the income from the trust fund during her lifetime. While she lives, she is the only person entitled to any interest in the trust, but upon her death, those of her children who are living at the time of her demise, will inherit the principal, under the terms of the will. 1/

Four children were born to Katie von Kracker as follows: 2/

HUBERTUS KRACKER VON SCHWARTZENFELD, about 31 years of age, married, who last lived with his mother at the address aforementioned, but who is now in the German Army.

MARIA KRACKER VON SCHWARTZENFELD, about 25 years of age, married and now known as FRAU HANS STAURENMAYER, who is supposed to have lived with her mother at the address given for her mother hereinbefore mentioned.

ERIKA KRACKER VON SCHWARTZENFELD, about 28 years of age, unmarried, supposed to be living with her mother at the address hereinbefore mentioned.

EDITH VON BAUER, a daughter of the first marriage of Katie von Kracker, over the age of 31 years, supposed to be living at Jager Allee 4, Potsdam, Germany.

Originally, three trustees were appointed under the Henry Elias will to administer the Katie von Kracker trust - two friends of the testator, namely, Edward Schweyer and Edward Hanitzsch, and his wife, Katharina Elias. Of these, only Mrs. Elias was living at the time of the first World War. 3/ She passed away in 1918, and early in 1919, two substituted trustees, namely, William J. Elias and Frederick W. Kroehle, were appointed. 3/ Mr. Elias remains today as the sole surviving substituted trustee. 2/

The interests of Katie von Kracker as life tenant of the trust and of her four children as contingent remaindermen, were the subject of seizure by the Alien Property Custodian under the Trading with the Enemy Act of October 6, 1917 4/, and the income received as a result of the seizure was released under Claim Number 4950. 5/

#### Nature of the Trust

The corpus of the trust consists mainly of real estate and mortgages on real property in and near New York City. Total gross value of the trust was reported on Form TFR - 300 by the present trustee, at \$191,495.20, and undistributed income of \$2846.77. 2/

But in his Supplemental Affidavit 2/ Mr. Elias states that the true worth of the trust estate is very much less than the book value at which it is carried, largely on account of the depressed condition of the real estate market.

The last payment to the beneficiary was made on or about June 21, 1940, when the sum of \$1,250 was turned over to Messrs. Topken and Farley, 17 Battery Place, New York, who were given Power of Attorney by Katie von Kracker to act on her behalf and who also were attorneys for the German Consul General. 2/

With respect to the undistributed income amounting to \$2,646.77, in his statement Mr. Elias asserts that "the reason for this accumulation is that your deponent refused to turn over any further monies to Katie von Kracker or to her attorneys-in-fact hereinbefore mentioned, after it began to appear that these assets would be frozen and as a result this income was accumulated in the amount mentioned." 2/

Attention is also called to the item of \$4,783.30, which is on deposit at the Irving Trust Company, Empire State Building. 2/ This sum was accumulated in order that the trustee might be able to meet taxes and thus prevent the real estate owned by the trust from falling into the hands of the municipality.

The income from the trust is far below what it should be, considering the nominal or face value of the items comprising the trust, and it has greatly diminished in recent years, as contrasted with the yield from the trust at the time of the seizure during the first World War.

For a description of the property and other assets belonging to this trust, the Committee is respectfully referred to the schedule contained in Exhibit A - attached hereto.
