## The I. R. O. Stock

Probably the most heart-rending human problem which exists today, at least among the white races, is the problem of finding a home for the tens of thousands of unfortunate people who were victims of Nazi atrocities and today are in the D. P. camps of Europe.

For them the war is not over. For many there must be a feeling of hopelessness that is tragic. Uprooted from their homes without a semblance of justifiable cause, they surely deserve help.

This Stamp Auction is designed to help get hundreds of these unfortunate displaced people,—men, women and children,—to a new home where they may again have a chance to live.

The stamps were looted by the Nazis. Their sale is designed to aid their victims.

Every penny of the net proceeds will be used exclusively for resettlement of displaced people. None of the committees receives any compensation,—they are all serving gratis. They could assist no worthier cause.

The committees do not ask for charity. They do ask that these stamps be sold for the maximum market price so that the maximum number of people can be helped.

We therefore ask dealers and collectors alike to support this auction to their maximum. By so doing they will not only obtain stamps for their stocks or collections but at the same time help a worthy cause.

As will be seen from the descriptions, many lots contain immense quantities of stamps, even trunkful. Such lots deserve the personal examination of both dealer and collector.

We look forward to seeing you, both at the Exhibition of this material and at the auction.

Bernard D. Harmer

## CONDITIONS OF SALE

### Bidding

- I.—All bids are per lot as numbered in the catalogue. The right is reserved to withdraw any lot prior to sale, or to group two or more lots.
- II.—The highest bidder shall prevail. Should any dispute arise between bidders the decision of the auctioneer as to the successful bidder and the reoffering or resale of the lot under dispute shall rest entirely on the judgement of the auctioneer. Title shall remain in H. R. Harmer, Inc. until payment is received and delivery made to the buyer. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

### Payment For Purchases

- III.—Floor Bidders. The name and address of the buyer of each lot shall be given to the auctioneer immediately following the sale of such lot. Payment of the whole purchase price, or such part thereof shall be made by the floor buyer in such manner as the auctioneer may determine.
- IV.—Mail Bidders. Successful mail-bidders will be notified of lots allocated to them and must remit before the lots are sent. Delivery to successful mail bidders will be at the addresses indicated on their bid sheets. Persons known to us, or who furnish satisfactory references, may, at our option, have their stamps forwarded to them for immediate payment. A minimum charge of 25c will be made for mailing and insurance.

### Authenticity

- V.—Each lot is sold as genuine, but when in the opinion of the Philatelic Foundation or any competent authority acceptable to H. R. Harmer, Inc., the lot is declared otherwise, the purchase price will be refunded in full, provided that such claim is received by H. R. Harmer, Inc., within a period of twenty-one days from the date of the auction.
- VI.—Any lot, description of which is incorrect, is returnable only within three days of receipt. All disputed lots must be returned intact, as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had an opportunity to examine them before the sale. Stamps described as having defects are not returnable on account of their condition. Stamps cannot be returned on account of centering when such stamps are illustrated.
- VIa.—Special Condition of Sale. Lots are not returnable on an error of quantity of less than 5%. Lots containing undescribed stamps ARE NOT RETURNABLE UNDER ANY CONDITION.

### New York City Sales Tax

- VII.—The New York City Sales Tax (2%) is payable by buyers liable to tax who accept delivery in the City. Out-of-town mail buyers do not pay the Tax.
- VIII.—The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

30 East 57th Street,  
NEW YORK, N.Y.  
U.S.A.

Gentlemen:

The Preparatory Commission for the International Refugee Organization, acting through its Merchandising Advisory Committee, has decided to entrust to you the management of the initial auction sales of diamonds and other precious stones, jewelry, silver, porcelain, glass and other objects of value now in its possession.

As you have been informed, the entire net proceeds realized from these sales will be used to rehabilitate and resettle eligible non-repatriable victims who suffered heavily at the hands of the Nazis. The background of this humanitarian undertaking will be of interest to you.

In Germany and Austria the Allied Armies recovered a vast quantity of miscellaneous personal property which had been confiscated by the Nazis from their victims. The disposition of that portion of the property which could not be identified either as to individual ownership or national origin was provided for under Article 8 of Part I of the Final Act of the Paris Conference on Reparation, and the Five Power Agreement of June 14, 1946. These International Agreements directed the transfer of the unidentifiable looted property to an appropriate international refugee organization, to be liquidated and the proceeds used for the rehabilitation and resettlement of non-repatriable victims of German action - - persons who suffered heavily at the hands of the Nazis but who were unable to claim the assistance of any Government receiving reparation from Germany.

The property which you have undertaken to sell is a substantial part of the unidentifiable looted property, and is officially designated in the above-mentioned Treaties as "non-monetary gold".

2.

The Government of the United States played a leading role in securing allocation of "non-monetary gold", as reparations, for the assistance of non-repatriable victims; and it acted most promptly in implementing this provision of the Reparation Agreements. Some time ago it directed that, upon determination of unidentifiability, the looted property in the US Zones of Germany and Austria be transferred by the Occupying Authorities to the appropriate international refugee organization, formerly the Intergovernmental Committee on Refugees and subsequently the Preparatory Commission for the International Refugee Organization. In accordance with the Treaty obligations, the property must be liquidated by PCIRO and the proceeds used for the rehabilitation and resettlement of eligible non-repatriable victims.

Upon completion of the transfer of the property in the US Zones of Germany and Austria, it was shipped by the Preparatory Commission to the United States for liquidation. To assist PCIRO in disposing of the property, the Merchandizing Advisory Committee, a voluntary board, was established to effect the liquidation.

Our aim is to receive the highest possible proceeds from the sales, so that the maximum assistance may be extended to the greatest number of victims.

Successful sale of this property will contribute materially to mitigate the suffering of innocent men, women and children - - victims of the Hitler holocaust, and offer them hope for a happier future.

We are confident that the public will support us in this humanitarian undertaking.

Yours very truly,

  
W. Hallam Tuck  
Executive Secretary

## CONDITIONS OF SALE

The property listed in this catalogue will be offered and sold subject to the following terms and conditions:

1. The word "Galleries", wherever used in these Conditions of Sale, means the Parke-Bernet Galleries, Inc.
2. The Galleries has exercised reasonable care to catalogue and describe correctly the property to be sold, but it does not warrant the correctness of description, genuineness, authenticity or condition of said property.
3. Unless otherwise announced by the auctioneer at the time of sale, all bids are to be for a single article even though more than one article is included under a numbered item in the catalogue. If, however, the articles under any one numbered item are designated as a "Lot" then bids are to be for the lot irrespective of the number of articles described in such item.
4. The highest bidder accepted by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer may, in his discretion, determine who is the successful bidder, and his decision shall be final; or the auctioneer may reoffer and resell the article in dispute.
5. Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance over the previous bid, may be rejected by the auctioneer, in his discretion, if in his judgment such bid would be likely to affect the sale injuriously.
6. The name and address of the buyer of each article, or lot, shall be given to the Galleries immediately following the sale thereof, and payment of the whole purchase price, or such part thereof as the Galleries may require, shall be immediately made by the purchaser thereof. If the foregoing condition, or any other applicable condition herein, is not complied with, the sale may, at the option of the Galleries, be cancelled, and the article, or lot, reoffered for sale.
7. Unless the sale is advertised and announced as an unrestricted sale, or a sale without reserve, consignors reserve the right to bid.
8. Except as herein otherwise provided, title will pass to the highest bidder upon the fall of the auctioneer's hammer, and thereafter the property is at the purchaser's sole risk and responsibility.
9. Articles sold and not paid for in full and not taken by noon of the day following the sale may be turned over by the Galleries to a carrier to be delivered to a storehouse for the account and risk of the purchaser, and at his cost. If the purchase price has not been so paid in full, the Galleries may either cancel the sale, and any partial payment already made shall thereupon be forfeited as liquidated damages, or it may resell the same, without notice to the buyer and for his account and risk, and hold him responsible for any deficiency.

**PREFATORY NOTE REGARDING THE  
BACKGROUND OF THE PROPERTY INCLUDED  
IN THE PRESENT SALE**

The jewelry and precious stones offered in the present sale are part of a vast quantity of valuable personal property taken by the Nazis from their victims and recovered by the Allied Armies in Germany and Austria. Under Article 8 of Part One of the Final Act of the Paris Conference on Reparation and the Five Power Agreement of June 14, 1946, that portion of the recovered property which was not identifiable either as to individual ownership or national origin, was ordered transferred to the Preparatory Commission of the International Refugee Organization to be liquidated and the entire net proceeds used for the rehabilitation and resettlement of non-repatriable victims of Nazi action.

Upon completion of the transfer of the property from the Armies to the PCIRO, it was shipped to the United States. To effect the liquidation, the Merchandising Advisory Committee, a voluntary board, was established and the present sale is held by its direction.

*"Our aim is to receive the highest possible proceeds from the sales, so that the maximum assistance may be extended to the greatest number of victims. Successful sale of this property will contribute materially to mitigate the suffering of innocent men, women and children—victims of the Hitler holocaust, and offer them hope for a happier future."—W. Hallam Tuck, Executive Secretary of the PCIRO, from a letter printed in full in the catalogue of the sale.*

Parke-Bernet Galleries, Inc.  
30 East 57th Street,  
NEW YORK, N.Y.  
U.S.A.

Gentlemen:

The Preparatory Commission for the International Refugee Organization, acting through its Merchandizing Advisory Committee, has decided to entrust to you the management of the initial auction sales of diamonds and other precious stones, jewelry, silver, porcelain, glass and other objects of value now in its possession.

As you have been informed, the entire net proceeds realized from these sales will be used to rehabilitate and resettle eligible non-repatriable victims who suffered heavily at the hands of the Nazis. The background of this humanitarian undertaking will be of interest to you.

In Germany and Austria the Allied Armies recovered a vast quantity of miscellaneous personal property which had been confiscated by the Nazis from their victims. The disposition of that portion of the property which could not be identified either as to individual ownership or national origin was provided for under Article 8 of Part I of the Final Act of the Paris Conference on Reparation, and the Five Power Agreement of June 14, 1946. These International Agreements directed the transfer of the unidentifiable looted property to an appropriate international refugee organization, to be liquidated and the proceeds used for the rehabilitation and resettlement of non-repatriable victims of German action - - - persons who suffered heavily at the hands of the Nazis but who were unable to claim the assistance of any Government receiving reparation from Germany.

The property which you have undertaken to sell is a substantial part of the unidentifiable looted property, and is officially designated in the above-mentioned Treaties as "non-monetary gold".

2.

The Government of the United States played a leading role in securing allocation of "non-monetary gold", as reparations, for the assistance of non-repatriable victims; and it acted most promptly in implementing this provision of the Reparation Agreements. Some time ago it directed that, upon determination of unidentifiability, the looted property in the US Zones of Germany and Austria be transferred by the Occupying Authorities to the appropriate international refugee organization, formerly the Intergovernmental Committee on Refugees and subsequently the Preparatory Commission for the International Refugee Organization. In accordance with the Treaty obligations, the property must be liquidated by PCIRO and the proceeds used for the rehabilitation and resettlement of eligible non-repatriable victims.

Upon completion of the transfer of the property in the US Zones of Germany and Austria, it was shipped by the Preparatory Commission to the United States for liquidation. To assist PCIRO in disposing of the property, the Merchandizing Advisory Committee, a voluntary board, was established to effect the liquidation.

Our aim is to receive the highest possible proceeds from the sales, so that the maximum assistance may be extended to the greatest number of victims.

Successful sale of this property will contribute materially to mitigate the suffering of innocent men, women and children - - victims of the Hitler holocaust, and offer them hope for a happier future.

We are confident that the public will support us in this humanitarian undertaking.

Yours very truly,

  
W. Hallam Tuck

## CONDITIONS OF SALE

The property listed in this catalogue will be offered and sold subject to the following terms and conditions:

1. The word "Galleries", wherever used in these Conditions of Sale, means the Parke-Bernet Galleries, Inc.
2. The Galleries has exercised reasonable care to catalogue and describe correctly the property to be sold, but it does not warrant the correctness of description, genuineness, authenticity or condition of said property.
3. Unless otherwise announced by the auctioneer at the time of sale, all bids are to be for a single article even though more than one article is included under a numbered item in the catalogue. If, however, the articles under any one numbered item are designated as a "Lot" then bids are to be for the lot irrespective of the number of articles described in such item.
4. The highest bidder accepted by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer may, in his discretion, determine who is the successful bidder, and his decision shall be final; or the auctioneer may reoffer and resell the article in dispute.
5. Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance over the previous bid, may be rejected by the auctioneer, in his discretion, if in his judgment such bid would be likely to affect the sale injuriously.
6. The name and address of the buyer of each article, or lot, shall be given to the Galleries immediately following the sale thereof, and payment of the whole purchase price, or such part thereof as the Galleries may require, shall be immediately made by the purchaser thereof. If the foregoing condition, or any other applicable condition herein, is not complied with, the sale may, at the option of the Galleries, be cancelled, and the article, or lot, reoffered for sale.
7. Unless the sale is advertised and announced as an unrestricted sale, or a sale without reserve, consignors reserve the right to bid.
8. Except as herein otherwise provided, title will pass to the highest bidder upon the fall of the auctioneer's hammer, and thereafter the property is at the purchaser's sole risk and responsibility.
9. Articles sold and not paid for in full and not taken by noon of the day following the sale may be turned over by the Galleries to a carrier to be delivered to a storehouse for the account and risk of the purchaser, and at his cost. If the purchase price has not been so paid in full, the Galleries may either cancel the sale, and any partial payment already made shall thereupon be forfeited as liquidated damages, or it may resell the same, without notice to the buyer and for his account and risk, and hold him responsible for any deficiency.

11. Unless purchased for resale, the buyer will be required to pay the Federal Excise Tax equivalent to 20 per centum of the price for which sold on jewelry, clocks, silver, gold, furs, etc. However, articles of these categories sold for certain classes of consignors are exempt from this tax. Items in this catalogue subject to the Federal Excise Tax are designated by an asterisk (\*).

12. Unless exempt from the payment thereof, the buyer will also be required to pay the New York City sales tax of 2 per centum of the price for which all articles are sold.

The Galleries reserve the right to decline to undertake to make such bids.

14. The Galleries will facilitate the employment of carriers and packers by purchasers but will not be responsible for the acts of such carriers or packers in any respect whatsoever.
