MEMORANDUM

TO : Colonel J.H. Allen, Chief,
Restitutions Branch, Economic Division

FROM : Office of Political Affairs

Your attention is directed to your memorandum of December 13, 1945 concerning property taken from Castle Konopiste and asking that the Czechoslovakian Government supply the Restitutions Branch with further information on this property.

We have received from the Czechoslovakian Government, through the American Embassy at Prague, and are transmitting herewith, the following documents:- 1) English translation of a list identifying the contents of 22 boxes and 10 crates, and 2) 11 photos of Gobelin's paintings and smaller art objects with inventory numbers referring to the list mentioned above.

Czechoslovak authorities indicate that the property for which they ask restitution may be located near Salzburg in Austria. If this is the case, would your office transmit the attached documents to the proper American restitutions authorities in Vienna?

Loyd V. Steere
Deputy Director

Enclosure:

List and photos
described above.

C-94

A list of old paintings and small objects of art stolen on 27th and 28th of April 1945 by the Germans from the Konopiste castle and transported to Kurstein near Salzburg.

MEMORANDUM

10 July 1946

TO : Brigadier General W. H. Draper, Jr., Director
Economics Division
Attention: Colonel J. H. Allen, Chief,
Reparations & Restitutions Branch

FROM: Office of Political Affairs.

We are in receipt of a copy of a note from the Czechoslovakian Ambassador at Washington to the Acting Secretary of State, concerning two paintings owned by Dr. M. Lobkowicz, the Czechoslovakian Ambassador at London, and a copy of the reply which the Acting Secretary of State made to the Czechoslovakian Ambassador.

C3-7-8 In his note, the Czechoslovakian Ambassador states that two paintings by the famous Czech painter, Petr Brandl, (1) "The Burning of Troy" and (2) "Destruction of Sodoma and Gomorrah" which were taken by the Germans and placed in the Museum of Kaiser Friedrich in Berlin, have not been found in Germany, and asks if the paintings in question might be a part of the collection which was removed to the United States for safe-keeping. The Acting Secretary of State replied that the two paintings were not among the collection removed to the United States, and suggested that the Ambassador direct inquiries to the British, French and Soviet officials in the possibility that they might be located in their respective Zone.

Undoubtedly, the Czechoslovakian Restitution Commission has already presented claims for these paintings, and a search has been made. We would appreciate receiving from your office any information that you may have on this matter.

Paintings Belonging to Mr. Lobkowicz, Czechoslovak Ambassador at London

1 Economic Division MFA&A Br. | Pol Aff | 30 Nov. 1945

1. The American Embassy at London has been approached by Mr. Lobkowicz, Czechoslovak Ambassador there, with respect to the latter's wish to loan six of his paintings to the Boston Fine Arts Museum and to the Metropolitan Museum of New York. Mr. Lobkowicz believes that his entire collection of pictures was in the American zone of occupation at Aussee, Salzkammergut, Salzburg, and that the American authorities contemplated transporting important works of art recovered in the American zone to the U.S. before they are returned to their rightful owners. Mr. Lobkowicz has also heard that there was to be assembled at Bamberg, Bavaria, all recovered loot.

2. In view of the active interest shown by American art experts in his pictures, and in view of their safety, Mr. Lobkowicz wishes to express his appreciation thereof by loaning six pictures to the Museums for a period to be agreed upon. Since he is not now in a position to undertake the matter himself, he trusts that necessary arrangements for safe transport, insurance, and custody of pictures would be made and the expenses defrayed by the Museums or by the American authorities.
