3. French 5028  
Koelle, Heilbronn. letter dated 7/10/48

This claim was investigated on 28 September 1948. Mrs. Koelle, widow of the deceased ex-prisoner of war Heilbronn states that her husband had never been in a foreign country nor had ever acquired any pictures from any foreign country. Further investigation was made of various other Koelle families in Heilbronn, none of whom could give any information relative to this claim. The case is therefore considered dropped.
