Please to inform me if there is such a painting between your collection or if there are things, taken in Poland in 1939, which I could eventually recognize. Label silver will by marked by the Polish armors. Wreche "Rodzic" of Danzig.

If you think, there is a chance to find the things, I am looking for, I would like to go to Wiesbaden myself, to examine the exposed objects.

Yours faithfully

M. T. Rendtorff-Chelkowski.

TO: Director,

The attached letter, requesting assistance in locating works of art removed from Poland, was received from Mr. M.T. Kemblan-Chelkowski, The Hague, and is forwarded for your information. The Salvator Rosa he describes is not at the Wiesbaden Collecting Point, nor other property which could readily be identified as his.

Mr. Kemblan-Chelkowski has been advised by this office as to how to institute claim and was especially asked to provide any information available to him concerning the residence in Germany of the estate manager Isifort.

Military Government
Berlin, Germany

Dear Sir:

I read in today's New York Times that the painting "Grand Canal" of the Canaletto School is being returned by your office to the Netherlands Government.

If this painting is the same as shown on the enclosed photograph, it is one of several paintings which I owned in the Hague, Netherlands, and which were seized by the Germans from the warehouse where I had my property stored. According to official information from Holland, some of this property had been shipped to Mannheim, Germany.

Kindly return the snapshot and, if this should indeed be my painting, kindly inform me how I can go about obtaining it.

Since the painting is in American hands now and as I am an American Citizen, would it be possible to have direct shipment made for my account? Otherwise, to what authorities in Holland must I apply?

Kindly let me have your prompt reply.

Very truly yours,

Gentlemen:-

Among my household belongings shipped by me from Mannheim to Rotterdam for reshipment to New York, or subsequently confiscated by the Nazis in Rotterdam and returned to Mannheim for sale or distribution to the German population, there were several paintings:

1. one oilpainting by Professor Lippmann, size about 20 x 20 inches, Peasant with two horses

2. one oilpainting by Dutz, size about 17 x 13 inches, two girls (Halfsize)

3. one oilpainting, artist not known, size about 13 x 12 inches, a Cardinal

4. one oilpainting by Stohner, size about 20 x 20 inches, Still-life (Flowers and Fruits)

As there may be a possibility that these paintings were surrendered by the recipients or picked up by the Army I would ask you to please let me know whether they are in your custody.

Very sincerely yours

Fontenay, Hamburg 36, (a second address being: Rupprechtshagen Herzbrucker Schweiz/Regnitz) laid claim to some of the properties left by the dealer in works of art Bernhard A. Bohmer, who lived in Güstrow/Mecklenburg, Heidberg, and died by suicide in 1945. During the war Böhmer sold by order of the Propaganda-Ministry the so-called "degenerated" works of art confiscated by the Naz-Government in German museums and purchased at the same time works of art in Holland and France upon the direct order of Goebells.

Hereafter you will find a copy of the letter addressed by Bannerman to the judicial trustee of the heirs of Böhmer, Dr. Paul Zschimmer, 22 Hopfermarkt, Rostock.

"List of my claims to Bernhard A. Böhmer.

1. Purchase price for 2 Jan Steen ..... 180.000 RM
Both pictures were given to Bohmer on commission at the beginning of the year 1943. The more important one "Landscape with Figures" 63 by 87 cm, according to the expert's opinions of van Gelder, Dr. Friedländer and Director Gratema and Hofsteede de Grot, fully signed. The other picture, about 100 by 60 cm, "Antonius and Cleopatra;" expert's opinion of Dr. Friedländer and Dr. van Gelder. When Böhmer called at me the last time at the end of 1943 in the SS-prison at Amsterdam, he told me that he had sold the pictures to Linz. The money was, however, not remitted to me as agreed upon.

2. Remaining part of the purchase money in Dutch guilders 10.000.- ..... 13.270 RM
for 1 Rembrandt 18 by 24 cm "King David." Expert's opinions of W. v. Bode, Prof. Martin, Hofsteede de Grot, Dr. van Gelder, and Dr. Friedländer.
The picture was sold at the price of Dutch guilders 150.000 of which Bohmer remitted Dutch guilders 140.000.- on October 21, 1943. The picture is said to be in the possession of H. Reetsma.

3. In the presence of some witnesses I handed to Böhmer at the end of 1943 a ring with a brownish diamond 5,8 carat, which he intended to sell for at least Dutch guilders 35.000.- ..... 46.445 RM

	Brought forward:	239.715 RM
4.	Through my instrumentality Böhmer bought from the firm of Borghoute, Amsterdam - Utrecht, a Pieter de Hooch: "Madam inspecting fishes which her maid has bought," reproduced in the "Klassiker der Kunst" (Classical Works of Art) on page 120 (?) ahead of "Pieter de Hooch," for Dutch guilders 300.000.- expert's opinion of Dr. Valentiner. As agreed upon, I was entitled to a commission of 10 per cent, that is Dutch guilders 30.000.-	39.810 RM
5.	As a foreign claim, for which I am liable myself: 1 Sal. von Ruysdael 100 by 165 cm handed to Böhmer in autumn 1943. This picture was described and reproduced in the work written about this painter by Prof. Stechow and is signed. Expert's opinion given by Dr. van Gelder in "Die Fähre" (The Ferry)	200.000 RM
	Total:	479.525 RM

1. Reference is made to Dutch claim #84 covering
1 sampling tank
1 painting by Cornelisz Vandeape "Landscape with Houses"
1 roll-top writing desk, French, 18th century
Location: Depot Hildenhofer, Salzburg.

2. According to Hildenhofer these items have been picked up by Mr. Robert M. Miller and Capt. Tug on 28 March 1946, and transferred to Property Control Warehouse. Miss Lotrez, the former secretary of Mr. Miller was contacted and states that subject property has subsequently been taken to Munich by Mr. Miller. Attached is the copy of a receipt by Hildenhofer the original of which should be in your files.

3. Concerning the painting, however, it can not be ascertained whether the above mentioned answers the claim as a different painter figures on the claim list.

4. In view of the fact that the claimed property has already been delivered to Munich in 1946 we would suggest to drop this claim as far as our files are concerned.

Subject : Netherland Claim No.358.

Report of investigation.

1./ The diamond ring, consisting of emerald and brilliants by Koberg, was not found at given location.

2./ Hereby attached is a statement of Mr. Otto HUTTER who bought the paintings from Baker Georg SPITZ on the 1st January 1944, in a small village on the Ammer - Lake, Germany, where he was evacuated through the Bank Johan MARCK & Co., Emden.

3./ In April 1944, Mr. Hutter brought the paintings to Vienna for sale, and left it in a shop in Mariahilferstrasse or Neubaugasse, Vienna 7 Bez., near a night club "Zur Schiefen Lampe", where various buyers examined the paintings until a well-dressed Aryan man, claiming for a third and unknown person.

4./ Efforts to ascertain exact address and names of the art dealer, who supposedly died in an air raid, were fruitless, because Mr. Otto Hutter claims he cannot recollect.
