Ms. Carol Rasco
Assistant to the President for Domestic Policy
The White House
Washington, D.C. 20500-0001

Dear Ms. Rasco:

Enclosed is a copy of our monthly newsletter *Current Capsules*. I thought you would enjoy seeing the first issue which highlights our theme for the year. Thank you again for allowing us to use it.

We are proud of the project we begin this year with Children's Hospital of Michigan. The Pediatric Mobile Team will reach children and their families for whom access to regular and preventive services is difficult. This will be accomplished by providing a cost-effective point of entry into the health care system, and by broadening the scope of preventive services provided by involving parents and community volunteers and addressing needs as identified by the community. I am certain that this collaborative effort between the Junior League of Detroit and Children's Hospital of Michigan will make a tremendous impact in the field of health care in our community.

Our focus area encompasses all aspects of children's health and welfare. Consequently, we would appreciate receiving information from your office that will advise us of pertinent information that addresses this area.

Should your travels bring you to Detroit, I would be honored to have you as our guest for lunch or dinner. We share your commitment to children and would enjoy exchanging information with you. You may reach me during the day at 313-446-6019, and evenings P6/(b)(6) I look forward to hearing from you throughout the year.

Sincerely,

Linda A. Hutton
President

CAROL HAMPTON RASCO

Junior League members throughout the country are constantly looking for ways to influence public policy. **Carol Hampton Rasco**, member of the Junior League of Little Rock, Arkansas, has found the best way imaginable. She is Assistant to the President for Domestic Policy.

Starting as an elementary school teacher, she rose to become the Liaison to Human Services and Health Agencies in Arkansas for Governor Bill Clinton, and then became his Executive Assistant for Governmental Operations. The rest, as they say, is history, and when Clinton moved to the White House, so did Rasco.

A good bit of her volunteer work--not surprisingly--is in the area of advocacy. She served on the Little Rock Public School Special Education Advisory committee, the Governor's Task Force on Coordination of Services for School-Aged Children, the Arkansas Coalition for the Handicapped, and she organized the Little Rock Municipal Court's Volunteers in Probation. She's also quite active in the First United Methodist Church, where she has chaired the Board of Stewards, the Council on Ministries, the child Development Center Board, and has served as a Lay Leader. The Friends of the Arkansas Repertory Theatre, the Arkansas Symphony Orchestra, and the Arkansas Developmental Disabilities Services Board have also benefited from her board participation and expertise.
