Dear Mr. President:

I am writing to convey letters from across Texas who oppose federal education cuts, especially cuts to bilingual education, and oppose English-Only proposals.

We urge you to continue to show leadership on these two crucial issues. Please listen to the concerns expressed in the enclosed letters. I hope that you will be able to respond to each correspondence.

Thank you for vetoing cuts to education and vocally opposing English-Only.

Sincerely,

I support bilingual education because it:

1. enables students to learn content area material *while* they are learning English, so they don't fall behind academically;
2. facilitates the acquisition of English language skills;
3. develops the linguistic resources of our nation; and
4. connects schools with families and allows parents to be active partners in their children's education.
