Extent

735 folders, approximately 49,466 pages

Summary

This series of Subject Files highlights health care topics relating to budget, tobacco, Medicare, Health Security Act milestones (Tollgate), Medicaid, CHIP (Children's Health Insurance Program), legislation (including the Kennedy-Kassebaum Bill, the Balanced Budget Bill, the Breaux-Thomas reform plan, the Mental Health Parity Act of 1996, the Patient's Bill of Rights, and the Health Security Act) prescription drugs and labeling, privacy, the Medicare Commission, and the President's Advisory Commission on Consumer Protection and Quality in the Health Care Industry. The records include reports, handwritten notes, memoranda, draft legislation, articles, emails, faxes, publications, and correspondence from congress, non-profit organizations, health care interest groups, private citizens, and federal agencies—specifically the Health Care Financing Administration and the Department of Health and Human Services.

Scope and Content Note

Within the Domestic Policy Council, Christopher —Chris‖ Jennings was Special Assistant to the President for Health Policy from 1995 to 1997 and Deputy Assistant to the President for Health Policy Development from 1997 to 2001. Mr. Jennings was charged with developing and implementing the Administration's health care policy. In this capacity, Mr. Jennings coordinated and oversaw the health policy work of numerous federal agencies, including the Office of Management and Budget and the Departments of Health and Human Services, Treasury, and Labor. He also had lead responsibility for communicating and advocating Administration health policy to the Congress, state and local governments, health care interest groups, and the media. Before his White House appointment, Mr. Jennings was the Senior Legislative Health Reform Advisor to the Health Care Financing Administration where he worked closely

with First Lady Hillary Rodham Clinton, assisting her in preparing for hearings and meetings with Congress on health care. This series of Subject Files highlights health care topics relating to budget, tobacco, Medicare, Health Security Act milestones (Tollgate), Medicaid, CHIP (Children's Health Insurance Program), legislation (including the Kennedy-Kassebaum Bill, the Balanced Budget Bill, the Breaux-Thomas reform plan, the Mental Health Parity Act of 1996, the Patient's Bill of Rights, and the Health Security Act) prescription drugs and labeling, privacy, the Medicare Commission, and the President's Advisory Commission on Consumer Protection and Quality in the Health Care Industry. The records include reports, handwritten notes, memoranda, draft legislation, articles, emails, faxes, publications, and correspondence from congress, non-profit organizations, health care interest groups, private citizens, and federal agencies— specifically the Health Care Financing Administration and the Department of Health and Human Services.

Record Type

Textual

System of Arrangement

Records of this series were found in Clinton Presidential Records: White House Staff and Office Files, Domestic Policy Council. Within the files there were diskettes containing various reports. The materials from these diskettes have been processed electronically and are available for research in an electronic format. This series is arranged alphabetically.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 USC, 101) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA)

Processed by

Staff Archivist, 2011. Previously restricted materials are added as they are released.
