Summary

This collection consists of records related to the Environmental Protection Agency and Department of Energy from White House staffer Janet Anderson. It includes government publications, correspondence, memoranda, and reports.

Scope and Content Note

The materials in FOIA 2017-1091-F are a selective body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. Freedom of Information Act (FOIA) request 2017-1091-F was for the EPA/Energy records of Janet Anderson. The EPA/Energy files of Janet Anderson primarily contain governmental publications, almost entirely from the Department of Energy. The topics include environmental and energy regulations, nuclear waste and the environment, acid rain, land management, and the electrical industry. A number of corporate and non-governmental reports and pamphlets are also included. There are also several files of written comments and letters submitted to the Department of Energy and the state of Washington regarding arid lands and an ecology reserve.
