Extent

574 folders, approximately 52,781 pages

Summary

This collection consists of background research and briefing materials from 1993 to 2000 that was used to help create policy, press releases, and events by other offices within the White House. It highlights, in particular, issues relating to White House Accomplishments used for talking points, the 2000 Census, challenge documents, the White House’s record on crime, healthcare background materials, The Family Medical Leave Act, and background materials relating to the Nixon impeachment inquiry and also President Clinton’s impeachment. The records include memorandums, correspondence, emails, fact sheets, newspapers clippings, articles, Op-Eds, talking points, faxes, reports, Q&As, and notes

Scope and Content Note

The White House Office of Communications’ General Files collection consists of background research and briefing materials from 1993 to 2000 that was used to help create policy, press releases, and events by other offices within the White House. This collection highlights, in particular, issues relating to White House Accomplishments used for talking points, the 2000 Census, challenge documents, the White House’s record on crime, healthcare background materials, FMLA (Family Medical Leave Act), Press briefings and press clippings on various White House issues from 1993 and 1994, Whitewater, and background materials relating to the Nixon impeachment inquiry and President Clinton’s impeachment. The records include memorandums, correspondence, emails, fact sheets, newspapers clippings, articles, Op-Eds, talking points, faxes, reports, Q&As, and notes.

Record Type

Textual

System of Arrangement

Records of this series were found in Clinton Presidential Records: White House Staff and Office Files, Communications. This series is arranged alphabetically.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2019. Previously restricted materials are added as they are released.
