System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas—Clinton Presidential Records: White House Office of Records Management

(WHORM), Clinton Presidential Records: WHORM Alpha Project, Clinton Presidential Records: WHORM Subject Files, and Clinton Presidential Records: White House Staff and Office Files. The White House Office of Records Management (WHORM) contains a variety of series created to organize and track documents and correspondence. The WHORM Alpha file was compiled by the White House Office of Records Management from 1993 – 1996 and is a series of documents arranged by name of persons, organizations, or events. The WHORM Subject file was compiled by the White House Office of Records Management and is a series of categories designated by a letter/number combination. In addition, there are WHORM, WHORM Counsel, WHORM (CL), WHORM (OP), WHORM (Too Late); WHORM (Various Offices); and WHORM (Alpha Project) series. Staff and Office files were maintained at the folder level by staff members within their individual offices and document all levels of administration activity. WHORM files are processed at the document level; whereas, Staff and Office files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. FOIA 2019-1027-F includes WHORM records from these subject codes: FG017-07 Drug Enforcement Administration (DEA) JL003 Criminal Matters ME001 Messages (Sent to Individuals) (Includes Birth Date Baby)\ PP005-01 First Lady PU001-07 Clippings to the President.
