System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas— Clinton Presidential Records: (SAS) Automated Records Management System [Email] and Clinton Presidential Records: (SAS) Lotus Notes. The Executive Office of the President (EOP) subsystem of the Electronic Records Archive (ERA) contains

electronic records created or received by Clinton Administration officials. These records are stored in Search and Access Sets (SAS) that represent their originating computer program. The Automated Records Management System (ARMS) is a database that contains email records of the Executive Office of the President. This system maintained unclassified Presidential email. Lotus Notes is a database that contains files created in the Lotus Notes system. The Lotus Notes system was used as an email management system during the Clinton Administration. This database contains drafts of email, mailing lists, attachments, and other items likely intended for email.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).
