Record Type

Photographs

System of Arrangement

Records that were responsive to this FOIA request were found in one collection area and one series—Clinton Presidential Records: Photographs of the White House Photograph Office and the series therein—Photographs Relating to the Clinton Administration. Processing is done at the Folder/Contact sheet level. While this method maintains folder/contact sheet integrity, it frequently results in the processing of photographs that are not wholly responsive to the subject area.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Photographs in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).
