182 assets

Summary

This collection consists of records related to journalist Barbara Walters. This collection contains email correspondence concerning Barbara Walters.

Scope and Content Note

The materials in FOIA 2021-0551-F (Segment 2) are a selective body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related material. This collection consists of records related to journalist Barbara Walters. This collection contains email correspondence concerning Barbara Walters. Walters interviewed President Clinton in 1996 and named him to her list of most fascinating people in 1996 and again in 1998. This collection primarily consists of emails concerning her interview with the President and transcripts of that interview. This collection also contains a list of White House greetings sent to Barbara Walters, and a list of invitations sent to Barbara Walters for White House events.

Record Type

Electronic Records

System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas— Clinton Presidential Records: (SAS) Automated Records Management System [Email]; Clinton Presidential Records: (SAS) Tape Restoration Project [Email]; and Clinton Presidential Records: (SAS) White House Database (WHODB) The Executive

Office of the President (EOP) subsystem of the Electronic Records Archive (ERA) contains electronic records created or received by Clinton Administration officials. These records are stored in Search and Access Sets (SAS) that represent their originating computer program. The Automated Records Management System (ARMS) is a database that contains email records of the Executive Office of the President. This system maintained unclassified Presidential email. The Tape Restoration Project (TRP) is a database that contains restored emails from the Automated Records Management System (ARMS) from July 1994 through June of 2000. This system maintained unclassified Presidential email. The White House database (WHODB) is a database of White House events and individuals that attended those events. The database also includes a log of individuals that received White House greeting correspondence. Data was entered and maintained by the Office of Correspondence, Social Office, and Office of Public Liaison.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records

Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2023. Previously restricted materials are added as they are released.
