Summary

This collection contains systematically processed materials from White House Office of Records Management (WHORM) Subject Code PA. This is the code that WHORM assigned to documents relating to Parks and Monuments. This collection consists of correspondence from individual citizens, non-profit organizations, and members of Congress.

Scope and Content Note

This collection consists of material found in WHORM Subject File PA. This is the code that the White House Office of Records Management assigned to documents relating to Parks and Monuments. This series contains material pertaining to memorials, monuments, historic sites, parks, reservations, and cemeteries. The National Park Service is a federal bureau in the Department of Interior responsible for maintaining national parks and monuments. It was established by President Woodrow Wilson in 1916. It manages 433 individual units covering more than 85 million acres in all 50 states, the District of Columbia, and US territories. During President Clinton’s time in office eleven units were added to the National Park Service including the Little Rock Central High School National Historic Site and the Tallgrass Prairie National Preserve. The records in this collection consist of correspondence from individual citizens, non-profit organizations, and members of Congress. These letters address ongoing matters concerning the establishment and funding of parks, monuments, memorials, and historic sites.
