System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas—Clinton Presidential Records: White House Office of Records Management (WHORM) Subject Files, Clinton Presidential Records: WHORM (OP), and Clinton Presidential Records: White House Staff and Office Files. The White House Office of Records Management (WHORM) contains a variety of series created to organize and track documents and correspondence. The WHORM Subject file was compiled by the White House Office of Records Management and is a series of categories designated by a letter/number combination. In addition, there are WHORM, WHORM Counsel, WHORM (CL), WHORM (OP), WHORM (Too Late); WHORM (Various Offices); and WHORM (Alpha Project) series. Staff and Office files were maintained at the folder level by staff members within their individual offices and document all levels of administration activity. Staff and Office files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. FOIA 2008-0994-F (Segment 5) includes WHORM records from these subject codes: CO001-05 Europe CO023 Bosnia and Hercegovina CO148 Serbia - Montenegro FG011 Department of State FI004-02 Estimates, Budget FO Foreign Affairs FO006-25 NATO Summit, Washington, DC, Apr (23-26) 99 ND National Security - Defense ND007 Military Personnel PR015-01 Broadcasts - Telecasts PU001-07 Clippings to the President SP1357 Speech.
