## Record Type

Electronic Records

## System of Arrangement

Records that are responsive to this FOIA request were found in these collection areas— Clinton Presidential Records: (SAS) Automated Records Management System [Email]. The Executive Office of the President (EOP) subsystem of the Electronic

Records Archive (ERA) contains electronic records created or received by Clinton Administration officials. These records are stored in Search and Access Sets (SAS) that represent their originating computer program. Search strings are used to locate records responsive to FOIA requests, and responsive assets are placed into Search Results Lists (SRLs). Depending on the complexity of the search, there may be multiple SRLs within each SAS. The Automated Records Management System (ARMS) is a database that contains email records of the Executive Office of the President. This system maintained unclassified Presidential email.

**Access**
