Record Type

Textual

System of Arrangement

Records of this systematically processed series were found in Clinton Presidential Records: White House Staff and Office Files, National AIDS Policy Office, May Kennedy. This systematic collection is arranged alphabetically. In the Staff and

Office files of May Kennedy there was one 3.5” diskette containing one file. The materials from the 3.5” diskette have been processed electronically and are available for research in an electronic format. These files are referred to as assets.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2025. Previously restricted materials are added as they are released.
