Summary

These Clinton Presidential Records were declassified in response to a Mandatory Declassification Review request for specific closures in Freedom of Information Act case 2006-0325-F (Records Related to General Wesley Clark). General Wesley Clark was the Supreme Allied Commander Europe (SACEUR) of NATO from 1997 to 2000. He commanded Operation Allied Force in the Kosovo War, for which he was awarded the first Kosovo Campaign Medal in 2000 by President Clinton. The request was for specific records related to Kosovo in 1999 and 2000. Topics include the plight of forcibly displaced Kosovar Albanians, meetings with the Kosovar Transitional Council, negotiations on the structure of KFOR, and NATO responses to the situation in Kosovo.

Record Type

Textual

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.
