Summary

These documents were refered to the classifying agency for declassification. This Freedom of Information Act (FOIA) request includes Automated Records Management System [ARMS] and National Security Council email and Department of State cables regarding “Ring Around Serbia”, the ring of FM transmitters placed in countries bordering Serbia in an effort to counter the state-controlled media of Slobodan Milosevic. Topics include establishment of the radios, radio frequencies, broadcasting content, and the legality of cross-border broadcasting.

Record Type

Textual

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.
