This collection consists of the First Lady’s daily schedule including meetings, trips, speaking engagements and social activities for the eight years of the Clinton Administration.

Scope and Content Note

The materials in FOIA 2006-0198-F (segment 1) are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. What has been processed and is being opened for FOIA request 2006-0198-F (segment 1) includes Presidential records from the Office of the First Lady. These files detail the First Lady’s daily schedule including meetings, trips, speaking engagements and social activities for the eight years of the Clinton Administration. Specifically, the records that are opened are from the White House Staff and Office Files of Patti Solis Doyle, Special Assistant to the President and Director of Scheduling for the First Lady. Doyle was charged with the First Lady’s schedule from 1993 – 1998 and then assumed additional responsibilities as Director of Advance for the First Lady throughout the rest of the administration. These records, originally housed in binders, by month, detail the activities of the First Lady throughout the Clinton Administration. However, there are 32 dates throughout the eight years for which Patti Solis Doyle did not have schedules. Some dates will have a final schedule as well as a “revised final” schedule.
