Summary

These Clinton Presidential Records were declassified in response to a Mandatory Declassification Review request for documents related to United States military operations or air strikes against targets in Afghanistan and Sudan in 1998. Documents released include talking points for telephone conversations with presidents Yeltsin and Chirac. The collection also includes memorandum of telephone conversations with presidents Yeltsin and Chirac. It also includes correspondence with Chinese Premier Jiang Zemin.

Record Type

Textual

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.
