Scope and Content Note

The materials in FOIA 2011-0075-F are a selective body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials. FOIA request 2011-0075-F contains material relating to communications between the President and his spiritual advisors. This includes correspondence, news articles, notes, cards, and memorandum.

System of Arrangement

Records that were responsive to this FOIA request were found in these collection areas – Clinton Presidential Records: White House Office of Records Management (WHORM), Clinton Presidential Records: WHORM Alpha Files, Clinton Presidential Records: WHORM Alpha Project, Clinton Presidential Records: WHORM Subject Files, Clinton Presidential Records: WHORM (OP), Clinton Presidential Records: WHORM Various Offices, Clinton Presidential Records: White House Staff and Office Files, Clinton Presidential Records: Electronic Daily Diary. The White House Office of

Records Management (WHORM) contains a variety of series created to organize and track documents and correspondence. The WHORM Alpha file was compiled by the White House Office of Records Management from 1993 – 1996 and is a series of documents arranged by name of persons, organizations, or events. The WHORM Subject file was compiled by the White House Office of Records Management and is a series of categories designated by a letter/number combination. In addition, there are WHORM, WHORM Counsel, WHORM (CL), WHORM (OP), WHORM (Too Late); WHORM (Various Offices); and WHORM (Alpha Project) series. Staff and Office files were maintained at the folder level by staff members within their individual offices and document all levels of administration activity. WHORM files are processed at the document level; whereas, Staff and Office files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area. The Electronic Daily Diary is a log of the President’s daily activities and is arranged chronologically by date.

Access

Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.
