Extent

1,058 folders, approximately 47,867 pages

Summary

This collection consists of Carol Rasco’s Meetings, Trips, Events series, in the Domestic Policy Council. The records include memos, letters, reports, schedules, itineraries, meeting notes, flyers and pamphlets. The series highlights the topics of discussion for scheduled meetings and events, the persons involved, and information on travel required to attend the meetings or events. Topics include health care reform, disability, employment, education, children and families, and communities.

Scope and Content Note

Carol Rasco served as Assistant to the President for Domestic Policy Council (DPC) from 1993 to 1997. This series of Meetings, Trips, Events is a continuation of the previous description of the same series detailing Rasco's schedules as she carried out her duties as head of the DPC. The series highlights topics of discussion for scheduled meetings and events, the persons involved, and information on travel required to attend the meetings or events. Topics include health care, disability, children and families, education, and state and local economic issues. The records include memos, letters, reports, schedules, itineraries, calendars, meeting notes, and various organizational material such as flyers and pamphlets.

Record Type

Textual

System of Arrangement

Records of this series were found in Clinton J>residential Records: White House Staff and Office Files, Domestic Policy Council. Staff and Office files were maintained at the folder level by staff members within their individual offices and document all levels of administration activity. The series is arranged chronologically.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 USC, 101) which governs the making of photocopies or other reproductions of copyrighted material.

Repository Information

Official records of William Jefferson Clinton's presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2010. Previously restricted materials are added as they are released.
