Scope and Content Note

The President established the White House Commission on Complementary and Alternative Medicine Policy (WHCCAMP) in response to a growing public use of and interest in alternatives to standard medical care. Executive Order 13147 authorizing the Commission was issued on March 7, 2000 for a two-year time period. An Amendment to the Executive Order increasing the number of members from 15 to 20 was issued on September 15, 2000. Members of the WHCCAMP were Presidential appointees knowledgeable in health care practice and complementary and alternative medicine. WHCCAMP met with professionals and members of the public 13 times in locations including Washington DC, Minneapolis MN, New York NY, Bethesda and Rockville MD, Seattle WA, and San Francisco CA. They produced a final report dated March 2002 and the Commission was terminated on March 7, 2002.
