647 folders, approximately 36,159 pages

Summary

This collection consists of the records of Devorah Adler from her time in the Domestic Policy Council. Adler was Assistant Director for Health Policy from 1998 to the end of the Clinton Administration. This series highlights health care topics relating to Medicare, Medicaid, CHIP (Children's Health Insurance Program), bioterrorism, alternative medicine, the Patient's Bill of Rights, prescription drugs and labeling, privacy, the Medicare Commission, medical errors, TANF (Temporary Assistance to Needy Families), and the Balanced Budget Refinement Act. The records include reports, press releases, schedules of Chris Jennings and the President, fact sheets, handwritten notes, memoranda, draft legislation, articles, emails, faxes, publications, and correspondence addressed to Devorah Adler or Chris Jennings from Congress, non-profit organizations, health care interest groups, private citizens, and federal agencies—specifically the Health Care Financing Administration and the Department of Health and Human Services.

Scope and Content Note

Within the Domestic Policy Council, Devorah Adler was Assistant Director for Health Policy from 1998 to the end of the Clinton Administration. Ms. Adler coordinated with the Department of Health and Human Services and Christopher Jennings, Deputy Assistant to the President for Health Policy Development, to implement the Administration's health care policy. This series highlights health care topics relating to Medicare, Medicaid, CHIP (Children's Health Insurance Program), bioterrorism, alternative medicine, the Patient's Bill of Rights, prescription drugs and labeling, privacy, the Medicare Commission, medical errors, TANF (Temporary Assistance to Needy Families), and the Balanced Budget Refinement Act. The records include reports, press releases, schedules of Chris Jennings and the President, fact sheets,

handwritten notes, memoranda, draft legislation, articles, emails, faxes, publications, and correspondence addressed to Devorah Adler or Chris Jennings from Congress, non-profit organizations, health care interest groups, private citizens, and federal agencies—specifically the Health Care Financing Administration and the Department of Health and Human Services.

Record Type

Textual

System of Arrangement

Records of this series were found in Clinton Presidential Records: White House Staff and Office Files, Domestic Policy Council. This series consists of subject files, events, and publications; the subject files are arranged alphabetically by folder title, followed by the event files arranged alphabetically, and then publications, which are also arranged alphabetically by folder title.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 USC, 101) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton’s presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2012. Previously restricted materials are added as they are released.
