9th-12th Grade Civics

Hope, Endurance, and Justice

Students will consider The Anne Frank Tree installation and examine four historical episodes – the Holocaust, the Indian Removal Act of 1830, the internment of Japanese Americans during World War II, and the Little Rock Central High School desegregation crisis of 1957 – which serve as poignant and painful reminders of the complicated journey toward social justice in Arkansas and around the world. Following the guided tour, students will participate in a moderated discussion of topical issues of the day, reflecting on the themes of hope, endurance, and justice.

** The items in bold within each framework standard are areas that will be emphasized during the presentation, other areas listed may possibly be addressed.
