

United States Government

Education Reform: Invest More, Demand More

This exhibit contains digitized items that highlight the Administration's commitment to Education Reform through increasing investments and raising standards. This exhibit focuses on President Clinton's efforts to reform education in the State of Arkansas, the Goals 2000: Educate America Act and the Elementary and Secondary Education Act (ESEA). This exhibit provides access to more than 1,000 digitized files related to Education Reform.

*** The items in **bold** within each framework standard are areas that will be emphasized during the presentation, other areas listed may possibly be addressed.*

United States Government Frameworks

- Analyze the division of power and interrelationships between federal and state government
- Analyze various federal laws, policies, and rulings concerning civil rights of individuals and groups
- Analyze local and national issues addressing fundamental rights of individuals (e.g., civil liberties, *due process*, equal protection)
