Gayle -

Assuming (and extrapolating from a very whiny call from AF/W today) that State's list will be garbage, below are ideas of who we should have included in the dinner list from our side. I have also started the arrival ceremony list as well. I have not sent around to the rest of the directorate as I view this as your purogative as Sr. Director. You might want to check how other directorates do this, but I believe (given the food fight that these lists can engender) they usually keep it to themselves. As always - your call. Let me know what else you want/need me to do on this.
