Big 7 Consultation

→ work out practical consultation process
under EO

- Diane T (EPA) - GC @ EPA says there's an issue about whether consultation is

Big 7 triggers FACA rule.

If that not exempt under UMBA

(which exempts consults w/ elected officials),
that's a problem.

- What about consults on legis. proposals --
we don't want to telegraph these
↳ this should be clarified

- Jeff: OMB believes that legislative ref. division
applies, but not to

It did not go well. We really have a problem here regarding the lack of consultation. I need you to join me for a meeting at 2:30pm tomorrow in my office. Perhaps the greatest disappointment of the meeting was Ray's announcement the the IGA office is "dysfunctional" claiming the only time he hears from us is to be invited to stand in line for a Arrival Ceremony---never, to be consulted in advance about anything of substance. Equally disappointing was that the rest of the wimps in the room never offered any defense of the WH.

Barry, I'm afraid this is the best reason we can give you for the lack of consultation on this matter. Lynn Cutler was our IGA rep with OMB on this matter

I'm sure that Bill told you that Sally had decided that because this was "tweaking" and was mandated in the earlier order, that we did not need to do the consult. I am really sorry you had such an awful time. I can't wait to get to NACo and hear about this--although noone will be as nasty as Ray can be. Tom's placed a call to me --I'll let you know.

Subject: misc. items

- 1) As a result of your travel schedule, I think we should get our two VP calls (Knowles and KKT) ready to go for next Wednesday when you return.
- 2) You will not be here for the IGA Reps Mtg. on Monday. I'm assuming that I'll need to have something ready to present? Can you help me put together our agenda/goals?
- 3) I've asked Lavery to put together the political portion of the Shaheen draft. I'll try to have the policy piece ready to go by the time I leave for Florida so you can edit.
- 4) We need to spend some time on the Gov to Gov before you leave. It looks like it's in pretty good shape.
- 5) Lynn has a new outlook on Federalism (maybe you've heard) - she believes we should revoke the order and not waste the energy fighting them.
- 6) [REDACTED] (b)(6) chickened out and called me instead of you. She is primarily interested in the crime summit on Oct. 15. Do you have a preference on how we should handle? [002]
- 7) I'm on the weekly:
 - Engler employment services
 - dem govs status on patients' bill of rights
 - govs upset re nursing home regs
 - WWB report from DOT
 - Knowles/Russia airline stop
 - Alaska subsistence/Knowles-Babbitt talks
 - O'Bannon disaster
 - govs federalism portion
 - Babbitt Indian gaming letter re timeline of talks
 - NGA preview
 - anything else??
