### Advise the President: William J. Clinton *What Should the United States Do About The Kosovo Crisis?*

The *Advise the President* program is an opportunity for students to experience some of the challenges President Clinton faced during his administration. Using the deliberative model developed by the National Issues Forums Institute ([www.nifi.org](http://www.nifi.org)), students will collectively consider pros and cons of three possible responses to the genocide occurring in Kosovo. The program lasts two hours and includes an hour long tour.

*\*\* The items in **bold** within each framework standard are areas that will be emphasized during the presentation, other areas listed may possibly be addressed.*
