Agency: **DEPARTMENT OF DEFENSE**
Bureau: **PROCUREMENT**
Heading: **Other Procurement, Air Force**
FY 2001 Budget
Appendix Page: **284**

FY 2001
Pending Request: **\$7,699,127,000**

Proposed Amendment: **\$20,000,000**

Revised Request: **\$7,719,127,000**

This amendment would increase the pending FY 2001 request for Other Procurement, Air Force by \$20 million as part of the Administration's overall request for increased resources for intelligence community counterterrorism activities. These activities are explained in greater detail in the accompanying classified annex.

The Department of Defense will also realign \$67.1 million within this procurement account to finance increased activities against high-priority terrorist threats in FY 2001. Source funds are available as a result of program repricing and reductions to lower priority programs.

Taken together with reductions proposed in accompanying budget amendments, this amendment would not increase the proposed budget totals.
