Scope and Content

FOIA 2022-0400-F is a request for all video recordings from a summer intern greeting event on the South Lawn of the White House. President William Jefferson Clinton proceeds to the South Lawn where he poses for a photo opportunity. Video processed as matter of consequence include the President and First Lady Hillary Rodham Clinton departing morning church service, the President meeting with CEOs in the Oval Office, and departing from the South Lawn landing zone via Marine One.

Records that were responsive to this FOIA request were found in one collection area and one series—Clinton Presidential Records: Video Recordings of the White House Television Office and the series therein – Video Recordings Relating to the Clinton Administration. Processing is done at the individual tape level. While this method maintains tape run time integrity, it

frequently results in the processing of video records that are not wholly responsive to the subject area.

The following is a list of video recordings processed in response to FOIA 2022-0400-F:
