**System of Arrangement**

Records that were responsive to this FOIA request were found in one collection area and one series— Clinton Presidential Records: Photographs of the White House Photograph Office and the series therein—Photographs Relating to the Clinton Administration. Processing is done at the Folder/Contact sheet level. While this method maintains folder/contact sheet integrity, it frequently results in the processing of photographs that are not wholly responsive to the subject area.

The following is a list of photograph contact sheets/folders processed in response to FOIA 2016-0984-F (1994, Segment 91):
