~~CONFIDENTIAL~~

Greg,

State

EUR is sending the text of a proposed Presidential letter to Hungarian PM Orban on the request allow the USG to lease a Hungarian transmitter to broadcast Serb-language information in the next couple of weeks.

From what I understand, the problem in Hungary is bureaucratic: we have tried to get things to move and simply have had no success. Our Embassy in Budapest would take this letter to directly to Orban to ask him to intercede from the top.

It will be sent as a crosshatch must-go tonight. You should see it -- is there anyone else who needs to clear?

[@EXEC -- I know this is short notice, and Brooks Bash is out today. Hope we can work it quickly.]
